# Section 1:

## Glossary of Terms

# Glossary of Terms

## ABILITY TO BENEFIT

Please see entry for Student Eligibility Code.

## ACADEMIC YEAR

A period that begins on the first day of classes and ends on the last day of classes or examinations and that is a minimum of 26-30 weeks (except as provided in 34 CFR 668.3) of instructional time during which, for an undergraduate educational program, a full-time student is expected to complete at least:

1. Twenty-four semester or trimester hours or 36 quarter hours in an educational program whose length is measured in credit hours; or
2. Nine hundred clock hours in an educational program whose length is measured in clock hours.

See 34 CFR 668.2 for additional information. Academic years may be scheduled or borrower based. The annual loan limits for a Direct Loan apply to an academic year.

## ACADEMIC YEAR LENGTH

This is the length of the student's academic year calculated using the academic year begin and end date as reported by the school on the common record. It does not exclude breaks.

## ACCOUNT

When a record is submitted to COD, the data is organized by student and/or borrower on the COD database. This data is organized into logical groupings called Accounts.

## ACTUAL DISBURSEMENT RECORD

A disbursement record submitted to the COD System in order to request or substantiate funding with a Disbursement Release Indicator (DRI) equal to 'True'. Actual Disbursement Records post to a student/borrower's award (loan or grant). They either release funds available to a school via draw down or they substantiate cash already made available to the school.

## ACTUAL NON-CREDENTIAL TEACHER CERTIFICATION SUBSIDIZED USAGE PERIOD

The period of time used by the student related to the reported loan. This is returned only when the special program is reported as a non-credential teacher certification program and the reported loan has at least one actual disbursement.

## ACTUAL SUBSIDIZED USAGE PERIOD

The period of subsidized aid covered by this award if it has at least one actual disbursement.

## ADDITIONAL ELIGIBILITY INDICATOR (AEI)

For the 2017-2018 Award Year and forward, a student may be eligible to receive up to 1.5 times the Scheduled Federal Pell Grant (SFPG) for Pell Grant, or Sequester-Limited Scheduled Award for Iraq and Afghanistan Service Grant, according to the amendments to Section 401(b)(8) of the Higher Education of Act. The Additional Eligibility Indicator (AEI) indicates a financial aid administrator has determined a student is eligible for additional Pell Grant or Iraq and Afghanistan Service Grant.

**Note:** The Iraq and Afghanistan Service Grant only applies to Award Years 2010-11 through 2023-24.

## ADMINISTRATIVE COST ALLOWANCE (ACA)

The Department of Education reimburses institutions participating in the Federal Pell Grant Program \$5 for unduplicated recipients at the school who receive a Pell Grant. This is money paid to schools to offset some of the cost of delivering financial aid to students. This amount is based on the number of Pell recipients reported by the school, including students who withdrew from the school or were transferred, even if all Federal Pell Grant funds were recovered.

## ADMINISTRATIVE RELIEF REQUEST

See Extended Processing.

## AGING OF DRAWDOWN

The process of tracking the time elapsed from the date funds were drawn down to the date a school fully substantiates the drawdown by submitting actual disbursement records.

## AGREEMENT TO SERVE OR REPAY (AGREEMENT)

The TEACH Grant Agreement to Serve or Repay (Agreement) is a legal document in which the recipient promises to teach in a high-need field at a low-income school for four years within an eight-year period. The Agreement explains that if the teaching service is not completed, the TEACH Grant becomes a Direct Unsubsidized Loan and the recipient promises to repay the loan(s) and any accrued interest and fees to the U.S. Department of Education. A new TEACH Agreement must be completed each award year.

## ANNUAL STUDENT LOAN ACKNOWLEDGEMENT

Borrowers must complete their Annual Student Loan Acknowledgement on StudentAid.gov for each award year on StudentAid.gov. All references to the Annual Student Loan Acknowledgement on COD are referred to as Informed Borrowing.

## ANTICIPATED DISBURSEMENT RECORD

Disbursement information submitted on either an Edit Only record or an Origination Record that is not intended to request or substantiate funding. An anticipated disbursement does not post to a student/borrower's award (loan or grant). Users submit anticipated disbursement information on the Common Record with a Disbursement Release Indicator omitted or set to False.

## ANTICIPATED NON-CREDENTIAL TEACHER CERTIFICATION SUBSIDIZED USAGE PERIOD

The period of time used by the student related to the reported loan. This is reported only when the special program is reported as a non-credential teacher certification program and the reported loan has only anticipated disbursements.

## ANTICIPATED SUBSIDIZED USAGE PERIOD

The period of time used by the student related to the reported loan. This is returned only when the reported loan has only anticipated disbursements.

## AGREEMENT ID

The unique identifier printed on the Agreement. It is made up of a student's SSN, 'C' – for TEACH, the last two digits of the award year, the first six digits of a school's OPEID, and a three-digit sequence number.

Example: 123456789C09012345001

## ATTENDED SCHOOL

The school or campus where the student attends class for which Federal Financial Aid funds are being used.

## AVAILABLE BALANCE

Funds available to draw down.

---

**Note:** Amounts actually drawn down should meet immediate need as defined by regulatory requirements.

## AWARD

An Award refers to the amount of money a student and/or borrower is eligible to receive for a period of time. Awards are designated by program (e.g., Direct Loan or Pell Grant), by institution, and by award year.

## AWARD YEAR

For Pell Grant, Iraq and Afghanistan Service Grants, Federal Supplemental Education Opportunity Grants, and Federal Work Study, the twelve-month period beginning on July 1st and ending June 30th of the following year. This also applies to what has previously been called the Direct Loan Program Year, which is the period of time (approximately 2 1/2 years in length) in which schools could potentially process a Direct Loan for a particular Award Year.

---

**Note:** The Iraq and Afghanistan Service Grant only applies to Award Years 2010-11 through 2023-24.

## BATCH

A group of records submitted together. Batches can consist of one or more records. Users can submit data for students in a file called a batch. The batch contains a network header record, the Common Record with one or more students / awards / disbursements and the network trailer record. Periodic sweeps of a school's SAIG mailbox are performed to pick up these batches and send them to the COD System for processing.

## BOOKED LOAN/TEACH GRANT

A loan becomes booked when COD has an accepted loan origination record, an MPN was received and has linked to the loan, and an actual disbursement record has been accepted. At this point loan information can be forwarded to the Servicer and loan servicing processes initiated. A TEACH Grant becomes booked when COD has accepted the TEACH Grant origination record, an Agreement was received and has linked to the grant, and an accepted actual disbursement record has been accepted.

## CALCULATED PUBLISHED PROGRAM LENGTH YEARS

The calculated published program year length in years. When the published program length is submitted as weeks or months, the COD system converts the length to years.

## CALL FOR CASH

Action taken by FSA to request a return of cash received by a school. If funds are not returned by the specified date, the balance will be referred to the Department's Debt Management Group.

## CAMPUS-BASED PROGRAMS

The term applies to three federal Title IV student aid programs administered on campus by eligible institutions of postsecondary education:

- Federal Perkins Loan Program
- Federal Work-Study (FWS) Program
- Federal Supplemental Educational Opportunity Grant (FSEOG) Program

## CASH AT SCHOOL

Cash that a school has received, either through self-initiated drawdown or pushed to the school's bank account, minus returned cash.

## CENTRAL PROCESSING SYSTEM (CPS)

Through the 2023-24 Award Year, this was the Department of Education system that processed information from the Free Application for Federal Student Aid (FAFSA®) and verified with government databases that the social security number, citizenship, and other information are correct. CPS also calculates the Expected Family Contribution (EFC) for each applicant, prints the Student Aid Report (SAR), and transmits Institutional Student Information Record (ISIR) data electronically. Also see FAFSA Processing System.

## CHILDREN OF FALLEN HEROES (CFH) INDICATOR

For award years 2018-19 to 2023-24, an otherwise Pell Grant-eligible student whose parent or guardian died in the line of duty while actively serving as a police officer, firefighter, or other public safety officer, may receive a maximum Pell Grant award, regardless of the student's calculated Expected Family Contribution (EFC) under the Children of Fallen Heroes Scholarship Act. The Children of Fallen Heroes (CFH) Indicator with a value of "Yes" indicates a financial aid administrator has certified eligibility for this provision, and the COD System will calculate the student's maximum Scheduled Award Amount as if the EFC were zero.

For Award Year 2024-25 and forward, the Children of Fallen Heroes Indicator reflects a financial aid administrator's FAFSA Partner Portal certification whether a student's parent or guardian has died in the line of duty as a public safety officer. A positive validation of eligibility by the FAA will allow the student to receive maximum Pell Grant.

## COMMON ORIGATION AND DISBURSEMENT (COD) PROCESS

The COD Process is a common process integrated with a system designed to support origination, disbursement, and reporting of the Pell Grant, TEACH Grant, Direct Loan, Iraq and Afghanistan Service Grant, and Campus-Based programs.

## COMMON ORIGATION AND DISBURSEMENT (COD) SYSTEM

The COD System is a technical solution designed to accommodate the COD Process for the Pell Grant, TEACH Grant, Direct Loan, Iraq and Afghanistan Service Grant, and Campus-Based programs.

## COMMON RECORD

The Common Record is a data transport mechanism exchanged by trading partners participating in Federal Student Aid. The Common Record is a document formatted in Extensible Markup Language (XML).

## COMMON SCHOOL IDENTIFIER (CSID)

See Routing Identifier.

## COMPLEX ELEMENT

An XML Element that contains other elements. It may also contain text, but it isn't required. Elements contain other elements in order to provide for logical groupings of data. For example, an applicant's name information can be represented by the following XML:

```
<Name>
```

```
<FirstName>Heidi</FirstName>
```

```
<LastName>Smith</LastName>
```

```
</Name>
```

Through the nesting of first name and last name information in the Name complex element, the information is logically grouped, and the meaning of the group is clear. Complex elements can contain other complex elements. So, many levels of nesting and organization are possible.

## CONSOLIDATION LOAN

A loan that combines multiple federal student loans into a single loan with one monthly payment.

## CORONAVIRUS INDICATOR

COD web flag used to identify disbursements for students that were unable to complete the payment period due to the coronavirus and are thus eligible to have their corresponding loan(s) discharge, TEACH cancelled, Pell LEU adjusted, subsidized usage recalculated.

## CORRECTION EDIT CODES

Applies to users in the Pell Grant program only. For schools that have selected to have their Pell Grant data corrected rather than rejected, the COD system automatically corrects the data and sends a response to the school that submitted the record indicating that a correction took place, the element corrected, the original value, and the corrected value. Edits that can be corrected, rather than rejected, are indicated with a C/R in the *Volume 2, Section 4 - Edits* codes in the *2025-2026 COD Technical Reference*.

## COST OF ATTENDANCE (COA)

The Cost of Attendance for Pell and IASG including tuition and fees, room and board expenses while attending school, allowances for books and supplies, transportation, loan fees (as applicable), dependent childcare costs, costs related to a disability, study-abroad costs, and other miscellaneous expenses, as outlined in Section 472 of the Higher Education Act.

---

**Note:** The Iraq and Afghanistan Service Grant only applies to Award Years 2010-11 through 2023-24.

## CPS TRANSACTION NUMBER

A transaction number from an eligible ISIR used to calculate the award.

## CREDIT CHECK

An examination of someone's credit history (record of paying debt). A credit check is required before a parent or graduate/professional student may borrow a Direct PLUS Loan. Credit checks are initiated through one of three ways: 1) A loan origination record is received from a school; 2) A PLUS applicant completes a Direct PLUS Loan Request through StudentAid.gov; 3) A school requests a credit check via the COD Web site.

---

Credit checks expire 180 days from the date initiated.

However, once a Direct PLUS Loan award has an accepted credit decision, an accepted endorser, or an approved appeal due to extenuating circumstances associated with it, any new credit decision will have no impact on that loan. Generally, borrowers who obtain an accepted endorser or receive approval of an appeal due to extenuating circumstances must also complete PLUS Credit Counseling before the school may disburse the loan.

## CURRENT FUNDING LEVEL (CFL)

The amount of funds that have been made available year to date. This is not necessarily the same as available balance.

## CURRENT SOCIAL SECURITY NUMBER

This is the Social Security Number (SSN) that is in the Current Social Security Number field on the greatest CPS Transaction Number used to establish an award for this student on the COD System. Current SSN is a component of the student identifier in the COD System.

## DIRECT LOAN PROGRAM

A Federal program where the government provides four types of education loans available to students and parents:

- Federal Direct Subsidized Loan (for students) Federal Direct Unsubsidized Loan (for students)

- Federal Direct PLUS Loan (for parents and graduate and professional students) Federal Direct Consolidation Loan (for students and parents)

These loans, which are referred to collectively as Direct Loans, are made by the U.S. Department of Education.

## DIRECT LOAN COST OF ATTENDANCE

The Direct Loan Cost of Attendance including and not limited to tuition and fees, room and board, books and supplied, transportation, insurance, and miscellaneous personal expenses as outline in Section 472 of the Higher Education Act.

## DIRECT PLUS LOANS

A loan through the William D. Ford Federal Direct Loan Program for parents of dependent undergraduate students and for graduate/professional students. Direct PLUS Loans help pay for educational expenses up to the cost of attendance minus all other financial assistance. Interest is charged during all periods.

## DIRECT SUBSIDIZED LOAN

A federal student loan made through the William D. Ford Federal Direct Loan Program for which a borrower is not responsible for paying the interest while in an in-school, grace, or deferment period in most cases.

If the borrower receives his/her first federal student loan disbursed after June 30, 2014 and before July 1, 2021, the borrower may not receive Direct Subsidized Loans for more than 150% of the published length of the program in which the borrower is enrolled. This is called the "maximum eligibility period."

In addition, if the borrower continues to be enrolled in any undergraduate program after receiving Direct Subsidized Loans for his/her maximum eligibility period, the borrower becomes responsible for paying (with certain exceptions) the interest that accrues on the borrower's Direct Subsidized Loans during all periods. This is called hitting the subsidized usage limit.

## DIRECT UNSUBSIDIZED LOAN

An unsubsidized loan made through the William D. Ford Federal Direct Loan Program for which the borrower is responsible for paying interest during all periods. Interest is charged from the date of disbursement.

## DISBURSEMENT

Title IV program funds are disbursed when a school credits a student's account with funds or pays a student or parent directly with either:

- Title IV funds received from ED
- Institution funds used before receiving Title IV program funds.

## DISBURSEMENT RELEASE INDICATOR (DRI)

The Disbursement Release Indicator is a tag on the Common Record that designates a record as an Actual Disbursement Record. When set to true, it signals the COD System to post the amount of disbursement to an award (loan/grant).

## DOCUMENT

In the context of XML, a document is a message or data transmission and is a combination of markup and content. Markup is a type of language contained within start and end tags. Content is the data that falls between the tags. A Common Record message or transmission is considered to be an XML document. A Common Record document can be thought of as a batch.

## DOD MATCH FLAG

Indicates whether a student has been identified as a dependent of a soldier who died in Iraq or Afghanistan after September 11, 2001.

---

**Note:** This flag is applicable for Award Years 2010-11 through 2023-24.

## DRAWDOWN

A drawdown occurs when a school or Payment Analyst, on behalf of a school, initiates a request for money through G5, and the funds are transmitted from the US Treasury to the school's bank account.

## EDIT/COMMENT CODES

These are a series of numeric codes that explain processing results, including data corrections, duplicates, and record rejects, for specific processed records for all award years.

## EDIT ONLY RECORD

In the COD Process, a record sent with anticipated disbursement information for editing purposes only. Edit Only Records may originate an award but are not intended to request or report funds. Schools using the Common Record submit a record with the Disbursement Release Indicator set to False.

## ELEMENT

XML documents consist of elements that are preceded and terminated with tags. An example of an element is

`<LastName>Smith</LastName>`, where `LastName` is an element.

## ELIGIBLE APPLICANT

An eligible applicant is a student who has submitted a Free Application for Federal Student Aid (FAFSA®) and meets the eligibility requirements for Title IV financial aid. The student must be currently enrolled or be a prospective student at a postsecondary school which is eligible to participate in Federal Student Financial Aid programs.

## ELIGIBLE PROGRAM

An educational program that meets regulatory requirements for participating in Title IV programs.

## ELIGIBILITY USED

The Eligibility Used percentage is calculated by summing all of the accepted actual disbursement records for this student at the attended institution for a specific award year and dividing that amount by the Scheduled Federal Pell Grant Award at the attended institution. This applies to both the Federal Pell Grant and Iraq and Afghanistan Service Grants.

---

**Note:** The Iraq and Afghanistan Service Grant only applies to Award Years 2010-11 through 2023-24.

---

## ENDORSER

The endorser is someone who agrees to repay a Direct PLUS Loan if the borrower does not. A Direct PLUS Loan borrower with an adverse credit history may still receive a Direct PLUS Loan if he/she obtains an endorser who does not have an adverse credit history. If the borrower is a parent, the student cannot be the endorser.

## ENDORSER ADDENDUM

The Endorser Addendum to the Direct PLUS Loan Master Promissory Note (Endorser Addendum) is a legal document in which an endorser promises to repay a Direct PLUS Loan and any accrued interest and fees to the U.S. Department of Education if the borrower does not. An Endorser Addendum must be completed for each loan.

## ENROLLMENT DATE

The first date that the student was enrolled in an eligible program for the designated award year. If the student enrolled in a crossover payment period before the first day of the Pell award year (July 1), but which will be paid from 2025-2026 funds, report the actual start date of the student's classes for that payment period.

## ENROLLMENT INTENSITY PERCENTAGE

The Enrollment Intensity Percentage is reported on each Pell disbursement and reflects the student's enrollment level for that payment period.

## ENROLLMENT SCHOOL CODE

The 8-digit OPEID for the physical location where the student is attending class.

## ENROLLMENT STATUS

The status of a student's enrollment during the payment period of the disbursement.

## EXPECTED FAMILY CONTRIBUTION (EFC)

The figure was an index of how much of family's financial resources may be available to pay the student's postsecondary education expenses. This figure was determined according to the Federal Need Analysis Methodology and is used in determining eligibility for Title IV aid. No EFC is calculated for rejected CPS transactions, however, on COD the EFC for rejected transactions will display as all nines. Rejected CPS transactions will only be reflected on COD for 2008-09 to 2023-24. EFC applied to Award Year 2023-24 and prior. Also see Student Aid Index (SAI).

## EXTENDED PROCESSING

Extended Processing (also known as Administrative Relief) is an extension to the established data submission (closeout) deadline that allows a school to submit data to the COD system, if supported by regulatory requirements. Extended Processing also provides relief during extenuating circumstances such as a natural disaster. Extended Processing is approved by FSA on a case-by-case basis, based on regulatory justification provided by the school.

Extended Processing is only needed to report new awards, new actual disbursements, and upward award or disbursement amount changes. Downward adjustments and non-financial changes can be reported without requesting extended processing. This updated functionality has streamlined processing for schools and brought the Reopen/Extended Processing functionality in alignment across programs (Pell/IASG, TEACH, and Direct Loan).

## FAFSA PROCESSING SYSTEM (FPS)

Beginning in 2024-25, the Department of Education system that processes information from the Free Application for Federal Student Aid (FAFSA®) and verifies with government databases the social security number, citizenship, and other information are correct. FPS also calculates the Student Aid Index (SAI) for each applicant. See also: Central Processing System.

## FEDERAL PELL GRANT PAYMENT SCHEDULE

Schedule of Federal Pell Grant Awards. Schedule is based on the Expected Family Contribution (EFC), the enrollment status, and the school Cost of Attendance (COA). This applies to Award Year 2023-24 and prior.

## FEDERAL PELL GRANT PROGRAM

A type of federal financial aid awarded to eligible, qualified applicants. A Federal Pell Grant, unlike a loan, does not need to be repaid. Generally, Pell Grants are awarded only to undergraduate students that have not earned a bachelor's or professional degree.

## FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT (FSEOG)

A campus-based aid program that provides grant assistance to students with financial need who are in undergraduate programs and have not earned a bachelor's degree or first professional degree. Priority in awarding FSEOG funds is given to students who have exceptional financial need and are Federal Pell Grant recipients.

## FINANCIAL MANAGEMENT SYSTEM (FMS)

FMS works with G5 to communicate financial information and to pay out disbursements to schools.

## FISAP

Fiscal Operations Report and Application to Participate in Campus-Based Programs. A report showing how a school spent allocated funds during the prior award year and an application to participate in the upcoming award year that must be submitted annually by schools that participate in any of the Campus-Based Programs.

## FREE APPLICATION FOR FEDERAL STUDENT AID (FAFSA®)

This is the application that must be filed by an applicant to apply for any student financial aid distributed by the federal government.

Please visit <https://studentaid.gov/h/apply-for-aid/fafsa> for more information.

## FREEZE CASH

Action FSA takes to eliminate a school's ability to draw additional funds.

## FSA

The Office of Federal Student Aid within the U.S. Department of Education.

## FULL RESPONSE

A Common Record response document that contains all of the original tags and data sent by the school and the processing results, edit codes, and rejected data elements.

## G6

G6 is the system used by the U.S. Department of Education's Office of the Chief Financial Officer to process school-specific obligations and to make payments (drawdowns) against those obligations. G6 communicates with the COD System through FMS. G6 is part of EDCAPS and interfaces directly with U.S. Treasury's Federal Reserve System.

## IAS GRANT FIELD

For award years 2010-11 through 2023-24 The IAS Grant on the Pell create/updated award screen for allows Pell ineligible students, identified by the Department of Defense as a dependent of a parent or guardian who died as a result of service in Iraq or Afghanistan, to be awarded Iraq and Afghanistan Service Grant funds.

For Award Year 2024-2025 and forward, the IAS Grant field is populated from the value for the Iraq Afghanistan Service Grant Indicator received on the FPS transaction and assists in the calculation of the Pell Scheduled Award.

## INCARCERATED STUDENT INDICATOR

The Incarcerated Student Indicator at the disbursement level is used to identify if the student is incarcerated but otherwise eligible to receive Federal Pell and IASG Grants.

**Note:** The Iraq and Afghanistan Service Grant only applies to Award Years 2010-11 through 2023-24.

## INFORMATION FOR FINANCIAL AID PROFESSIONALS (IFAP)

This Federal Student Aid (FSA) website provided information to financial aid professionals in the areas of Title IV federal programs, publications, regulations, and correspondence regarding administration of Title IV federal programs. This website was replaced by the Knowledge Center in March 2021. Also see Knowledge Center.

## INFORMED BORROWING

For Award Years 2020-2021 and forward borrowers can acknowledge their loan balance on StudentAid.gov (referred to as the Annual Student Loan Acknowledgement). The COD System stores a borrower's Informed Borrowing Completion, Informed Borrowing Completion Date, and Informed Borrowing ID.

## INSTITUTIONAL STUDENT INFORMATION RECORD (ISIR)

This is the electronic version of the Student Aid Report (SAR) that indicates eligibility for the Federal Pell Grant Program. The ISIR contains the family's financial and other information reported on the Free Application for Federal Student Aid (FAFSA®), as well as key processing results and National Student Loan Data System (NSLDS) Financial Aid History information. It is transmitted electronically to postsecondary schools and state educational agencies.

## IRAQ AFGHANISTAN SERVICE GRANT

The Iraq Afghanistan Service Grant was a separate grant program for Award Years 2010-11 through 2023-24. It allowed Pell ineligible students, identified by the Department of Defense as a dependent of a parent or guardian who died as a result of service in Iraq or Afghanistan, to be awarded Iraq and Afghanistan Service Grant funds.

## IRAQ AFGHANISTAN SERVICE GRANT INDICATOR

For Award Year 2024-25 and forward, the Iraq Afghanistan Service Grant Indicator is received on the FPS transaction and reflects a financial aid administrator's FAFSA Partner Portal certification whether a student's parent or guardian has died in the line of duty as an active duty military servicemember. A positive validation of eligibility by the FAA will allow the student to receive maximum Pell Grant.

## KNOWLEDGE CENTER

A Federal Student Aid (FSA) online database/library that provides financial aid administrators (FAAs) access to current and archived FSA information/materials (e.g., technical publications, reference manuals, regulatory and policy guidance, and Dear Colleague Letters) pertaining to the administration of FSA programs. The Knowledge Center can be accessed at: <https://fsapartners.ed.gov/knowledge-center>. *This online database/library was formerly known as Information for Financial Aid Professionals (IFAP).*

## LIFETIME ELIGIBILITY USED (LEU)

The sum of all Eligibility Used (EU) percentages for either a Pell or Iraq and Afghanistan Service Grant recipient over their lifetime. If the student has received both Pell and Iraq and Afghanistan Service Grant, they will have separate LEUs for each program. Because the Iraq and Afghanistan Service Grant program ended with 2023-24, IASG LEUs are converted and incorporated into a Pell LEU through the "IASG LEU Adjustment" type.

## LOAN PERIOD LENGTH

This is the length of the period of time covered by aid, calculated using the Financial Award Begin and End dates.

## MASTER PROMISSORY NOTE (MPN)

The Master Promissory Note (MPN) is a legal document in which the borrower promises to repay the loan(s) and any accrued interest and fees to the U.S. Department of Education. It also explains the terms and conditions of the loan(s). Multiple Direct Loans can be borrowed using a single MPN for up to 10 years. There are two types of MPNs:

- Direct Subsidized/Unsubsidized Loan MPN
- Direct PLUS Loan MPN

## MAXIMUM SUBSIDIZED ELIGIBILITY PERIOD

This is the maximum period of subsidized Direct Loans that a student is eligible to receive for the academic program. It is equal to 150% of the calculated published program length in years.

## MPN ACKNOWLEDGEMENT

Term used for the COD response, which is sent to schools upon receipt of an MPN once edits have been performed and the linking attempted by COD.

## MPN ID

The unique identifier printed on the MPN. It is made up of a student's SSN, 'M' – for subsidized or unsubsidized, 'N' – for Parent PLUS and Grad PLUS, the last two digits of the award year, a school's Direct Loan code, and a three-digit sequence number.

Example: 123456789M26G12345001

## MULTIPLE REPORTING RECORD (MRR)

For the Pell Grant or Iraq and Afghanistan Service Grant programs, the Multiple Reporting Record (MRR) identifies originations and/or disbursements being reported by more than one institution for the same student. The multiple reporting records are designed to provide institutions with information to identify and resolve potential overaward payments and concurrent enrollments before they occur. Institutions may request records identifying the institutions which have originated or disbursed for specific recipients, specific institutions, or for all students originated at their school.

**Note:** The Iraq and Afghanistan Service Grant applies to Award Years 2010-11 through 2023-24.

## MULTI-YEAR (MY) FEATURE

A feature of the Master Promissory Note, which allows multiple Direct Loans for the same student/borrower to link to the same MPN. Beginning in 2003-2004 award year, all domestic Direct Loan schools are eligible to use the Multi-Year Feature of the MPN. Once an MPN has been accepted and remains open, schools that use this feature do not have to obtain a new promissory note each academic year. The MPN may be valid for up to 10 years.

## NATIONAL STUDENT LOAN DATA SYSTEM (NSLDS)

As a Title IV automated system, the National Student Loan Data System, or NSLDS, is a national database of information about loans and other financial aid awarded to students under Title IV of the Higher Education Act of 1965. This system prescreens applications for Title IV aid, supports program administrative research functions, and improves Title IV aid delivery through automation and standardization.

## PAYMENT ANALYST

Formerly referred to as Reimbursement Analyst. An FSA employee who ensures that schools have accurately determined FSA eligibility of and payment to each student, with sufficient funds in the school's G5 account, and submits documentation to that effect.

## PAYMENT PERIOD END DATE

The Payment Period End Date that marks the end date of the Payment Period.

## PAYMENT PERIOD START DATE

The Payment Period Start Date that marks the start date of the Payment Period.

## PAYMENT TO SERVICER AMOUNT

Amount of payment sent to the Servicer by the borrower within 120 days of the disbursement date. COD receives this information from the Direct Loan Servicing System and generates a Payment to Servicer Response/Acknowledgement to the school.

## PERKINS

The Federal Perkins Loan Program provides low-interest loans to help needy students finance the costs of postsecondary education.

Note: Federal Perkins Loans are not currently processed in the COD System. Under federal law, the authority for schools to make new Perkins Loans ended on Sept. 30, 2017, and final disbursements were permitted through June 30, 2018. As a result, students can no longer receive Perkins Loans.

## PLUS CREDIT COUNSELING

Required counseling for Direct PLUS Loan borrowers who obtain an approved endorser, or an approved appeal based on documentation of extenuating circumstances. Borrowers must complete this counseling before schools can disburse funds. Counseling must be completed on PLUS Loan Credit Counseling | Federal Student Aid.

## POST 9/11 DECEASED VETERAN DEPENDENT

A Pell eligible student who is a dependent of an armed forces member who died as a result of performing military service in Iraq or Afghanistan after September 11, 2001 is eligible for Pell Grants with Zero Expected Family Contribution (EFC) for Award Years 2009-10 to 2023-24.

## POST SECONDARY EDUCATION PARTICIPANTS SYSTEM (PEPS)

PEPS is the U.S. Department of Education system that provides the COD system with school eligibility information.

## PELL OVERAWARD PROCESS (POP)

Federal Pell Grant recipients are allowed to receive a maximum of one full Scheduled Federal Pell Grant during an award year. An Iraq and Afghanistan Service Grant recipient is limited to one Sequester-Limited Scheduled Award. The COD System is programmed to calculate the percentage of Scheduled Federal Pell Grant or Sequester-Limited Scheduled Award used (based on Section 690.65 of the regulations) each time a school reports a disbursement to the student. Any amount exceeding 100 percent of the maximum grant represents a potential overaward. The COD System allows a potential overaward to exist for 30 calendar days and sends a warning to all schools involved before reducing all of the students Pell Grant or Iraq and Afghanistan Service Grant disbursements for that award year to zero. If the Additional Eligibility Indicator (AEI) is set to "true" the maximum amount will be evaluated at 150 percent instead of the standard 100 percent.

**Note:** The Iraq and Afghanistan Service Grant only applies to Award Years 2010-11 through 2023-24.

## PROGRAM CIP CODE

The Classification of Instructional Programs published on the <https://nces.ed.gov/ipeds/cipcode/browse.aspx?y=55>

## PROGRAM CIP CODE YEAR

The year associated with the Classification of Instructional Programs (CIP).

## PROGRAM CREDENTIAL LEVEL

The credential level related to the program in which the student is enrolled. The valid values for Program Credential Level are:

- 01: Undergraduate certificate or diploma program
- 02: Associate's degree
- 03: Bachelor's degree
- 04: Post Baccalaureate certificate
- 05: Master's degree
- 06: Doctoral degree
- 07: First Professional degree
- 08: Graduate/Professional certificate
- 99: Non-credential programs (preparatory coursework/teacher certification)

## PUBLISHED PROGRAM LENGTH MONTHS

The academic program's published program length in months. COD will convert published program length months to calculated published program length years.

## PUBLISHED PROGRAM LENGTH WEEKS

The academic program's published program length in weeks. COD will convert published program length weeks to calculated published program length years.

## PUBLISHED PROGRAM LENGTH YEARS

The academic program's published program length in years.

## PROGRAM-RELATED DATA REPORTING

The COD system will collect program-related data as required. For each program type, relevant fields will be added to, or shifted in placement on, the schema to facilitate the eligibility determination process. A program is identified by a combination of the institution's six-digit Office of Postsecondary Education ID (OPEID) number, the program's six-digit CIP code as assigned by the institution or determined by the Secretary, and the program's credential level and length.

## REJECT EDIT CODES

The system does not continue processing the record and sends a response/acknowledgement to the school indicating the reject reason and the relevant data element.

## RELEASE RECORD

In the COD Process, a record that changes an Edit Only or anticipated disbursement to an Actual Disbursement Record. Schools using the Common Record submit a new record with the Disbursement Release Indicator set to True.

## REMAINING ACTUAL NON CREDENTIAL TEACHER CERTIFICATION SUBSIDIZED ELIGIBILITY PERIOD

The remaining period of time in which the student may receive a Direct Subsidized Loan while enrolled in a non credential teacher certification program. This is returned when the special program reported is non credential teacher certification and there is at least one actual disbursement for the reported loan.

## REMAINING ACTUAL SUBSIDIZED ELIGIBILITY PERIOD

The remaining period of time in which the student may receive a Direct Subsidized Loan. This is the difference between the Maximum Eligibility Period and the sum of the Subsidized Usage Periods on all loans the borrower has received. This is returned when there is at least one actual disbursement for the reported loan.

## REMAINING ANTICIPATED NON CREDENTIAL TEACHER CERTIFICATION SUBSIDIZED ELIGIBILITY PERIOD

The remaining period of time in which the student may receive a Direct Subsidized Loan while enrolled in a non credential teacher certification program. This is returned when special program reported is non credential teacher certification and the reported loan has only anticipated disbursements.

## REMAINING ANTICIPATED SUBSIDIZED ELIGIBILITY PERIOD

The remaining period of time in which the student may receive a Direct Subsidized Loan. This is returned when the reported loan has only anticipated disbursements.

## REPORTING SCHOOL

The school that sends and receives data for the campuses or students it serves. The Reporting School must be a school and cannot be a Third-Party Servicer.

## RESPONSE

The Common Record document sent back to the school after processing of an incoming Common Record document is complete. This Common Record contains processing results and edit codes and may be either a Full or Standard Response. The COD System also sends system generated responses to schools for use in updating school databases, such as the completion of a Master Promissory Note.

## ROUTING IDENTIFIER

An identifier established by the U.S. Department of Education in Award Year 2002-2003 as an identifier assigned to schools and Third Party Servicers that is common across the Pell Grant and Direct Loan programs. It is a randomly generated eight-digit number that replaces the Pell Institution Number and Direct Loan (E/G) School code for the reporting of Pell Grant and Direct Loan data. It was previously referred to as the Common School Identifier (CSID).

## SCHOOL CLOSEOUT

The process of identifying and submitting any outstanding records for an award year and returning any funding for which there are no records to substantiate its use.

## SCHOOL PROCESSING OPTION

Parameter or criterion used to process information by the COD System. Schools have the ability to set some processing options by accessing the COD web site (<https://cod.ed.gov>) or contacting the FSA Partner and School Relations and requesting that an option be updated by FSA.

## SECONDARY EFC USED INDICATOR

A field in the Common Record that is an Indicator of EFC value that is used to determine award amounts field in the Common Record.

Note: The Secondary EFC Used Indicator applies to award years prior to 2024-25.

## SECONDARY EFC (EXPECTED FAMILY CONTRIBUTION)

This is a code indicating the Expected Family Contribution (EFC) on which the school based the student's award. The acceptable values are:

- O (Federal Pell Grant award previously based on the Secondary EFC and reported to the Federal Pell Grant program; student's award now based on the original EFC.)
- S (Federal Pell Grant award based on the Secondary EFC is calculated by the Central Processing System (CPS).)
- Blank (Secondary EFC never used.)

---

**Note:** The Secondary EFC applies to award years prior to 2024-25.

## SEQUESTER-LIMITED SCHEDULED AWARD

The COD system used sequestration logic in the calculation of the maximum Iraq and Afghanistan Service Grant (IASG). These sequester-required reductions were applied to the maximum Scheduled Federal Pell Grant (Scheduled Award) amount associated to an Iraq and Afghanistan Service Grant in a specified award year less the applicable Iraq and Afghanistan Service Grant sequestration reduced amount. Also see Federal Pell Grant Payment Schedule.

---

**Note:** The Iraq and Afghanistan Service Grant only applies to Award Years 2010-11 through 2023-24.

## SEQUESTRATION

Due to the Budget Control Act of 2011, all Iraq and Afghanistan Service Grants (from award years 2010-11 through 2023-24), and all TEACH Grants are subject to sequester-required reductions. See Sequester-Limited Scheduled Award for more.

## SIMPLE ELEMENT

An XML Element that does not contain any other elements. A Simple Element contains only text. An example of a Simple Element is:

```
<LastName>Smith</LastName>
```

## SINGLE YEAR (SY) FEATURE

A feature of the Master Promissory Note which allows multiple Direct Loans for the same student/borrower with the same academic year from the same school to link to the same MPN. The Single Year Feature applies to schools that choose not to use the Multi-Year Feature. Schools that choose to use this feature must obtain a new promissory note for each academic year.

## SPECIAL PROGRAMS

Special Program Codes include:

- 'A' – Selective Admission Associated Program
- 'B' – Bachelor's Degree Completion Program
- 'N' – Not Applicable
- 'P' – Preparatory Coursework Graduate Professional Program
- 'T' – Non-Credential Teacher Certification
- 'U' – Preparatory Coursework Undergraduate

If the aid is not for a special program, this field will either be blank or display 'Not Applicable'.

## STANDARD RESPONSE

A Common Record response document that contains only the processing results, edit codes, and rejected data elements.

## STUDENT AID INDEX (SAI)

An index number used to determine Title IV eligibility. This number results from the information provided on the FAFSA®. Applicable beginning in Award Year 2024-25. No SAI is calculated for rejected FPS transactions, however, on COD the SAI for rejected transactions will display as all nines. Rejected FPS transactions will only be reflected on COD for 2024-25 and forward. SAI applies to Award Years 2024-25 and forward.

## STUDENT AID INTERNET GATEWAY (SAIG)

The SAIG is the internet-based mailbox system used to transmit data between the schools and the U.S. Department of Education systems. Schools must enroll in SAIG before they can begin transmitting records to COD.

## STUDENT AID REPORT (SAR)

The results of a student's Free Application for Federal Student Aid (FAFSA®) submission. The SAR reports the information from the student's application, comments about the eligibility for federal student aid, and the student's financial aid history, to the student.

## STUDENT ELIGIBILITY CODE

Student Eligibility Code (formerly Ability to Benefit) records which criteria the student met to be eligible for Title IV aid at the institution. A full list of valid Student Eligibility Codes can be found in the Implementation Guide of the Technical Reference.

## SUBSIDIZED USAGE LIMIT APPLIES (SULA)

This flag indicates whether a borrower has been identified as a first-time borrower for purposes of the Direct Subsidized Loan time limitation. The purpose of this program is to fulfill the 150% Direct Subsidized Loan Limit provision of the Moving Ahead for Progress in the 21st Century Act (MAP-21) (Public Law 112-141) legislation enacted on July 6, 2012.

The subsidized usage loan limit restriction (SULA) was removed for any borrower who receives a Federal Direct Stafford Subsidized Loan first disbursed on or after July 1, 2021, regardless of the award year associated with the loan.

## SUBSTANTIATE

The act of accounting for funds already drawn. In the COD Process, institutions can substantiate funds by sending in an Actual Disbursement Record.

## SUM ACTUAL NON CREDENTIAL TEACHER CERTIFICATION SUBSIDIZED USAGE PERIOD

The sum of all actual subsidized usage periods for non credential teacher certification programs.

## SUM ACTUAL SUBSIDIZED USAGE PERIOD

The sum of all actual subsidized usage periods for the student, excluding non credential teacher certification program usage.

## SUM ANTICIPATED NON CREDENTIAL TEACHER CERTIFICATION SUBSIDIZED USAGE PERIOD

The sum of all actual non credential teacher certification program subsidized usage periods for the student, plus the anticipated non credential teacher certification subsidized usage period for the reported loan. This is returned only when all disbursements for the reported loan are anticipated.

## SUM ANTICIPATED SUBSIDIZED USAGE PERIOD

The sum of all actual subsidized usage periods for the student plus the anticipated subsidized usage period for the reported loan. This is returned only when all disbursements for the reported loan are anticipated.

## SUBSIDIZED USAGE PERIOD (SUP)

Subsidized Usage Period is the period of time that a subsidized loan is intended to cover as a portion of the borrower's academic year length. The subsidized usage period is calculated on COD using the following formula:

$$\text{SUP} = \text{length of loan period} \div \text{length of academic year}$$

**Note:** If the loan amount is at the annual limit ignore the SUP from above and set it to 1.0 for the year and if enrollment is three quarters time or half-time multiply the SUP by .75 or .5, respectively.

## TAG

A tag is an element name that is used inside brackets to denote the beginning and end of content. For example,

`<LastName>Jones</LastName>` uses the tag of LastName.

## TEACHER EDUCATION ASSISTANCE FOR COLLEGE AND HIGHER EDUCATION (TEACH) GRANT

As a result of the College Cost Reduction and Access Act (CCRAA) of 2007, the Teacher Education Assistance for College and Higher Education (TEACH) Grant program has been offered beginning with the 2008-2009 Award Year. The TEACH program provides funds to students who, in return, agree to teach four years within the first eight years of their graduation. Students must complete an Agreement To Serve or Repay (Agreement), after which they may qualify for up to \$4,000 in a single award. Failure to meet the terms of the Agreement may result in forfeiture of the grant, which becomes an Unsubsidized Direct Loan that the student must repay.

## THIRD-PARTY SERVICER

An individual or a State, or a private, profit or non-profit organization that enters into contract with an eligible institution (school) to administer, through either manual or automated processing, any aspect of the institution's (school's) participation in any Title IV, HEA program.

## TITLE IV STUDENT FINANCIAL AID

Federal financial aid programs for students attending postsecondary educational schools, authorized under Title IV of the Higher Education Act of 1965, as amended. The programs are administered by the U.S. Department of Education. Title IV programs consist of:

1. Federal Consolidation Loans
2. Federal Direct Student Loans
3. Federal Family Education Loan (FFEL) Programs
4. Federal Pell Grants
5. Federal Perkins Loans
6. Federal Supplemental Educational Opportunity Grants (FSEOG)

7. Federal Work Study (FWS)
8. Gaining Early Awareness and Readiness for Undergraduate Programs (GEAR-UP)
9. Iraq and Afghanistan Service Grants (IASG)
10. Leveraging Educational Assistance Programs (LEAP)
11. Robert C. Byrd Honors Scholarships
12. Teacher Education Assistance for College and Higher Education (TEACH) Grants

## TOTAL ELIGIBILITY USED

The sum of all Eligibility Used percentages for the Award Year. This applies to both the Federal Pell and Iraq and Afghanistan Service Grants.

**Note:** The Iraq and Afghanistan Service Grant only applies to Award Years 2010-11 through 2023-24.

## TOTAL NUMBER SSA MATCH

A required field in the Common Record that indicates the total number of students in this document that are reported by the Central Processing System (CPS) for award years 2023-24 and prior, and the FAFSA Processing System (FPS) for 2024-25 and forward, to have a Social Security Administration (SSA) match not equal to 4. This information is summarized by program by award year.

## TOTAL NUMBER VERIFIED

A required field in the Common Record that indicates the total number of students that are reported to be selected for verification by the Central Processing System (CPS) for award years 2023-24 and prior, and the FAFSA Processing System (FPS) for 2024-25 and forward. This information is summarized by program by award year.

## TRADING PARTNER

Two parties that exchange electronic data. Trading partners include: COD and schools; FFEL partners and schools; state grant agencies and schools; and alternative loan partners and schools.

## UNBOOKED LOAN/TEACH GRANT

A loan/TEACH Grant which does not have an accepted actual disbursement and/or is not linked to an accepted Direct Loan Promissory Note or TEACH Grant Agreement.

## UNSUBSTANTIATED CASH

Unsubstantiated Cash is the total amount of funds that the school has received but for which there are no corresponding net accepted and posted disbursements in COD, and for which it has been more than 30 days since the Unsubstantiated Cash Begin Date.

## UNIQUE ENTITY IDENTIFIER (UEI)

A twelve character, alpha numeric identifier generated by GSA's System for Award Management (SAM). As of April 4, 2022, all entities that do business with the federal government will be required to be registered in sam.gov and have an UEI assign to them. Additionally, the G5 will require all entities to have a sam.gov generated UEI linked to a bank account to transmit Title IV funds. This new value will replace the DUNS (Data Universal Numbering System) value that has previously identified a single business entity.

## VERIFICATION STATUS CODE

The regulations that govern the verification of Title IV Federal student aid application information are set forth in 34 CFR Part 668 Subpart E (34 CFR 668.51 - 668.61). In accordance with these regulations, a school is required to complete verification of information submitted by an applicant on the Free Application for Federal Student Aid (FAFSA®) if the application has been selected for verification.

For each Pell Grant award disbursed to a student who was selected for verification, a school must accurately report the student's verification status using one of the verification status codes. The verification status codes are "V", "W", and "S". The conditions under which each verification status code should be used are as follows:

"V" is used when the school has verified the student.

"W" is used when the student was selected for verification by the Central Processing System (CPS) for Award Years 2023-24 and prior, and the FAFSA Processing System (FPS) for 2024-25 and forward, or by the school, and the school chose to pay a first disbursement of the Pell Grant without documentation as provided for in the regulations at 34 CFR 668.58.

**Note:** The "W" code must be updated to "V" once verification is complete. If the code is not updated, the Pell Grant will be reduced to a zero dollar amount (\$0.00) when Federal Student Aid performs a global reduction of disbursements for awards with a "W" status.

"S" is used when CPS (for Award Years 2023-24 and prior) or FPS (for Award Years 2024-25 and forward) selected the student for verification, but the school did not verify the student because they qualified for one of the five verification exclusions. These exclusions are outlined in the "Application and Verification Guide" of the "Federal Student Aid Handbook" posted on the Knowledge Center.

**Note** Regarding Leaving the Field Blank: A school does not need to submit a verification status code and should leave the field blank (nil = "true") if the student was not selected for verification or if a selected transaction was received by the school after the student was no longer enrolled.

## WARNING EDIT CODES

The record is processed, but a warning is sent to the school to alert them to a possible regulatory violation. The response/acknowledgement sent includes a code indicating a warning, the warning type, and the relevant data element.

## WEEKS PROGRAMS ACADEMIC YEAR

This is the total number of weeks of instruction in the program's academic year. This field must be greater than or equal to 26. This field is required if Published Program Length is submitted in weeks or months, or if Special Programs is submitted as 'P' – Preparatory Coursework Graduate Professional Program. See Volume 1, Section 3 for more information.

## XML

Extensible Markup Language.

## XML SCHEMA

XML Schema specifies the rules surrounding the structure of an XML document. It defines the elements present in the document and the order in which they appear, as well as any attributes that may be associated with an element.

# Section 2:

## Funding Methods

## Current Funding Level (CFL)

The CFL is the total (cumulative award year to date) amount of funding authorization given to a school at any point of time. The available balance, or the amount the school can draw/receive, is its CFL minus net drawdowns. A separate CFL is maintained for each program by award year. A school's CFL may be adjusted upwards and/or downwards based on reported disbursements and other activity throughout the year.

### Business Rules

1. The CFL can be increased by FSA to reflect the needs of a school.
2. The current CFL for a school, each cash transaction, and the amount of that cash transaction that has been substantiated can be viewed on the COD web site.
3. If a school determines that the CFL is not at an appropriate level, the school can contact their customer service representative and request that FSA increase their CFL.

### G5 System:

The G5 System was formerly known as the Grant Administration and Payment System (GAPS).

4. When a school's total accepted actual disbursement records exceed net drawdowns, funds are made available for the school to draw through the G5 System.
5. If drawdowns are not substantiated fully within a prescribed period of time, the school's access to cash may be restricted.
6. Schools are contacted by a Customer Service Representative as soon as it appears that the school is having difficulty substantiating drawdowns in a timely manner.
7. If access to cash is to be restricted, schools will receive electronic warning notices and/or letters from Customer Service and/or FSA.

## FUNDING METHODS

These are the methods for delivering cash to schools:

1. Advance Funded
2. Heightened Cash Monitoring 1
3. Heightened Cash Monitoring 2
4. Reimbursement
5. Records First

## ADVANCE FUNDED

Under the Advance Funded delivery method, schools initiate draw down requests through the G5 System. Schools may only draw down cash up to their available balance. The available balance is the difference between the school's CFL and their net drawdown amount for a given award year and program. The U.S. Treasury transmits funds electronically to a school's bank account.

**Note:** Amounts actually drawn down should meet immediate need as defined by regulatory requirements.

## HEIGHTENED CASH MONITORING 1 (HCM1)

Under Heightened Cash Monitoring 1 schools may draw down cash up to their available balance. COD must have accepted actual disbursement records before funds become available to draw. Schools initiate drawdown requests through the G5 System. The available balance is the difference between the school's CFL and their net drawdown amount for a given award year and program. The U.S. Treasury transmits funds electronically to a school's bank account.

## HEIGHTENED CASH MONITORING 2 (HCM2)

Under Heightened Cash Monitoring 2, a Payment Analyst must approve the submitted disbursement records, and draw down cash up to the available balance for the school. The available balance is the difference between the school's CFL and their net drawdown amount for a given award year and program. The U.S. Treasury transmits funds electronically to a school's bank account.

## REIMBURSEMENT

Under Reimbursement, a Payment Analyst must approve the submitted disbursement records and draw down cash up to the available balance for the school. The available balance is the difference between the school's CFL and their net drawdown amount for a given award year and program. The U.S. Treasury transmits funds electronically to a school's bank account.

## RECORDS FIRST

The "Records First" funding option is available to Advanced Funded schools participating in the Direct Loan Program. When a school is "Records First," it does not receive an initial authorization for the Direct Loan Program. Instead, the school receives funding increases based on actual disbursements submitted to and accepted by the COD System. Currently, school funding for other Title IV Programs is processed under "Records First."

The "Records First" funding option offers several advantages to a school:

- Ensures funds are available only when needed based on actual disbursements (disbursements can be reported up to 7 days in advance for ready access to funds on the actual disbursement date)
- Applies additional controls to prevent access to excess funds, which reduces the risk of drawing funds in the incorrect award year or program
- Simplifies reconciliation by reducing the potential of discrepancies between funds received and disbursements reported
- Aligns Direct Loan funding process with other Title IV programs to allow for a common institutional process/procedure

Converting to the "Records First" processing method means the following:

- The school will not receive initial Direct Loan funding at the beginning of an award year.
- If a school changes from Advanced Funded to Records First funding mid-year, Current Funding Level (CFL) will be reduced to equal Net Drawdowns or Net Accepted and Posted Disbursements (NAPD), whichever is greater.
- The school's funding will increase as Direct Loan actual disbursement records (DRI = TRUE) are reported to and accepted in COD and these amounts exceed the school's CFL.
- Any downward disbursement adjustments will not reduce the school's funding level (this is a key

difference from the Pell Grant program). FSA removes any buildup of available funds periodically during the award years; however, schools are responsible for calculating immediate need based on actual disbursements and adjustments, and to only draw funds to meet that need. Any excess funds must be returned as required by the cash management regulations.

**Note:** “Records First” status is award-year specific. This means a school can be “Advanced Funded” for one award year, but “Records First” for a different award year.

Direct Loan Records First Processing can begin automatically if initial authorization is exhausted (no need to request), or a school may request at any time by contacting a COD Reconciliation Coordinator at 1-800-848- 0978 or [codsupport@ed.gov](mailto:codsupport@ed.gov), and the request will be forwarded to FSA for review and approval.

# Funding Controls

Schools' ability to receive cash to fund their Pell Grants, TEACH Grants, and Direct Loans is contingent upon submitting actual disbursement records. The business rules associated with the Advance Funded and the three (3) review statuses (HCM1, HCM2, and Reimbursement) are listed below:

## ADVANCE FUNDED

Under Advance Funded, schools can submit actual disbursement records in Advance of, on, or after the disbursement date.

### Business Rules

1. Schools can initiate drawdowns through the G5 System, based on their immediate need and cash management regulations, up to their available CFL.
2. At the beginning of each award year, a school's initial CFL amount is calculated for Direct Loans on the basis of the school's prior year disbursement history.
3. Advance Funded schools will not receive an initial CFL for the Pell Grants, TEACH Grants, and Direct Loans prior to having records accepted by COD. A school's CFL will increase based on accepted and posted actual disbursements.
4. Each drawdown a school receives must be substantiated with actual disbursements submitted and accepted by the COD System.
5. Actual disbursement records can be submitted within the following parameters:
6. For Pell, TEACH Grant, and Direct Loan programs, up to seven (7) calendar days prior to the disbursement date.
7. Actual disbursements are applied to substantiate drawdowns on a first-in/first-out basis.
8. The CFL may change throughout the year as the school transmits actual disbursement information on a "timely basis" and the COD System accepts the disbursements. A school's CFL can be decreased according to the program-specific requirements and/or activity.
9. For Direct Loans, all schools are required to have an accepted origination record and accepted MPN before COD will accept actual disbursements.

## HEIGHTENED CASH MONITORING 1 (HCM1)

A school can be placed on Heightened Cash Monitoring 1 (HCM1) review status by FSA. Under the HCM1 review status, schools may draw down cash through the G5 System based on actual disbursements submitted to and accepted by the COD System.

### Business Rules

1. HCM1 schools will not receive an initial CFL for the Pell Grants, TEACH Grants, and Direct Loans prior to having records accepted by COD. The school is given a first CFL increase when their first disbursement is accepted and posted by COD.
  - a. The school's CFL will equal its net accepted actual disbursements.

2. Actual disbursements can be submitted up to seven (7) calendar days before the disbursement date.
3. Schools placed on HCM1 are required to submit documentation of disbursements as directed by FSA.

## HEIGHTENED CASH MONITORING 2 (HCM2)

A school may be placed on Heightened Cash Monitoring 2 (HCM2) by FSA. Under the HCM2 funding control, the FSA School Participation Division initiates a drawdown through the G5 System on behalf of a school and direct cash payments are deposited in the school's bank account based on actual disbursements submitted to and accepted by the COD System and released by the FSA School Participation Team.

### Business Rules

1. Pell Grant, TEACH Grant, and Direct Loan schools on Heightened Cash Monitoring 2 (HCM2) drawdown their own funds through G5. However, the FSA School Participation Division initiates the drawdown through the G5 System upon review of required documentation.
2. Actual disbursements must be submitted on or after the disbursement date.
3. Schools on HCM2 will not receive an initial CFL for the Pell Grants, TEACH Grants, and Direct Loans prior to having records accepted by COD.
4. CFL increases are based on accepted and posted actual disbursements.
5. Schools placed on HCM2 are required to submit documentation of disbursements as directed by FSA.
6. The prior disbursement transaction must be processed by the Payment Analysts before HCM2 schools can submit a change to the record.

## REIMBURSEMENT

Under the Reimbursement review status, the FSA School Participation Division initiates a drawdown through the G5 System on behalf of a school and direct cash payments are deposited in the school's bank account based on actual disbursements submitted to and accepted by the COD System and released by the FSA School Participation Division.

### Business Rules

1. The FSA School Participation Division initiates the drawdown through the G5 System upon submission of the required documentation by the school on Reimbursement.
2. Actual disbursements must be submitted on or after the disbursement date.
3. Schools on Reimbursement will not receive an initial CFL for the Pell Grants, TEACH Grants, and Direct Loans prior to having records accepted by COD.
4. Schools placed on Reimbursement are required to submit documentation of disbursements as directed by FSA.
5. The prior disbursement transaction must be processed by the Payment Analysts before Reimbursement schools can submit a change to the record.

## FUNDING METHODS AND PROCESSING OPTION RELATIONSHIPS

### Relationship between Direct Loan Processing Options and Funding Methods

| Funding Method              | Receives an Initial CFL > 0 before submission of any actual disbursements School initiates drawdown through G5 | Initiates drawdown through G5 | Actual disbursements can be accepted up to 7 days before the disbursement date |
|-----------------------------|----------------------------------------------------------------------------------------------------------------|-------------------------------|--------------------------------------------------------------------------------|
| Advance Funded              | ✓                                                                                                              | School                        | ✓                                                                              |
| HCM1 Review Status          | —                                                                                                              | School                        | ✓                                                                              |
| HCM2 Review Status          | —                                                                                                              | Payment Analyst               | —                                                                              |
| Reimbursement Review Status | —                                                                                                              | Payment Analyst               | —                                                                              |

# Section 3:

## State, Jurisdiction and Country Codes

# State/Jurisdiction Codes

**Note:**

Do not submit FC in the State/Province code if your student has a foreign address.

State/Jurisdiction Codes are taken from United States Postal Standard (USPS) Publication 65.

## Changes to the State/Jurisdiction Codes

### ADDITIONS TO THE STATE/JURISDICTION CODES

The are no state/jurisdiction codes added to schema 5.0c:

| State/Jurisdiction | Code |
|--------------------|------|
| —                  | —    |

Table 3: Additions to the State/Jurisdiction Codes  
An em dash or “—” indicates no data.

### REMOVALS FROM THE STATE/JURISDICTION CODES

The are no state/jurisdiction removed from the schema 5.0c:

| State/Jurisdiction | Code |
|--------------------|------|
| —                  | —    |

Table 4: Removals from the State/Jurisdiction Codes  
An em dash or “—” indicates no data.

## State/Jurisdiction Codes

| State/Province or State/Province Code | Code |
|---------------------------------------|------|
| Alabama                               | AL   |
| Alaska                                | AK   |
| Alberta                               | AB   |
| American Samoa                        | AS   |
| Arizona                               | AZ   |

Table 9: Country Codes Sorted by Code An em dash or “—” indicates no data.

# Section 4:

## System Security

The COD System is a United States Department of Education computer system, which may only be used for official Government business by authorized personnel. Unauthorized access or use of this computer system may subject violators to criminal, civil, and/or administrative action.

## Privacy Notice

The COD System is a United States Department of Education computer system, which may only be used for official Government business by authorized personnel. Unauthorized access or use of this computer system may subject violators to criminal, civil, and/or administrative action.

If you use this computer system, you must understand that all activities may be monitored and recorded by automated processes and/or by Government personnel. Anyone using this system expressly consents to such monitoring.

---

**Warning:**

If such monitoring reveals possible evidence of criminal activity, monitored records will be provided to law enforcement officials.

This system contains personal information protected under the provisions of the Privacy Act of 1974, 5 U.S.C. §552a -- as amended. Violations of the provisions of the Act may subject the offender to criminal penalties.

## COD Web Site Access

All COD Website password maintenance is done via the current process using the Access and Identity Management System (AIMS) website.

Schools and third-party servicer users who need access to the COD Web site must be enrolled for the COD Online Service by a school's or organization's Primary Destination Point Administrator (PDPA) via the Student Aid Internet Gateway (SAIG) enrollment website and have an FSA User ID and password. Authorized users will also be required to enter the six-digit password generated by the user's Two Factor Authentication (TFA) token.

To receive COD Web site access, the user must complete three actions outlined below.

### Action 1: Be enrolled for the COD Online Service

Users must be enrolled for the COD Online Service by their school's PDPA and should work directly with that designated person to complete this action.

### Action 2: Obtain FSA User ID and Password

After the COD Website user is enrolled for the COD Online Service, he or she can register for an FSA User ID and password. Users who need to register for an FSA User ID and password can do so by completing the following steps:

**Step 1:** Go to the SAIG Enrollment website and click on the "FSA User ID Registration" link on the left-hand side of the home page.

**Step 2:** Enter the identifying information requested and click on Submit. This will include your First Name, Last Name, Last 4 digits of SSN, and Date of Birth.

**Step 3:** Follow the remaining steps, which include establishing a password and setting up challenge questions.

Once the registration process is complete, you will be sent the FSA User ID via email. You will then need to register your TFA token for use with your new FSA User ID.

### Action 3: Register TFA Token

After the FSA User ID registration process is complete and the FSA User ID is received, the user will then need to register his or her TFA token to associate it with the FSA User ID. Users who do not have a TFA token should contact their PDPA to obtain one. Note: If a user already has a TFA token because he or she accesses another Federal Student Aid system, the user does not need to register it again.

To register a TFA token, use the following steps:

- Go to the following URL: <https://sa.ed.gov/cas/CASWeb/pages/Authentication.faces>.
- Click on the token registration link: "Register/Maintain Token."
- Enter your FSA User ID and password and click on "Login."
- Complete the token registration information.
- When the "Success" message is displayed, your token has been registered.

Once you have completed all three actions, you will be able to access the COD Web site.

**Note:** If a school needs additional TFA tokens, the PDPA should send an email to TFA\_Communications@ed.gov, and include the school name and OPE ID on the correspondence.

**Note:** Each user associated with multiple schools must enroll for the COD Online Service for each school for which COD Web site access is needed.

## Rules of Behavior

Schools are encouraged, but not required, to establish Rules of Behavior as part of their business processes related to the COD System. The Rules of Behavior developed by the United States Department of Education are available for reference. Please note that these rules have been established for Department of Education employees. Your institution's rules may be different, but should cover all the areas covered in the following examples:

### INTRODUCTION

A good security posture supports the business purpose of the organization. Rules of behavior are designed to provide a schema for sustaining the business process, minimizing disruption, maintaining the ability to continue customer support, and supporting a planned and orderly restoration of service in an emergency.

Federal Student Aid (FSA), Common Origination and Disbursement (COD), processes and stores a variety of sensitive data that is provided by students, colleges/universities, financial, and Government institutions. This information requires protection from unauthorized access, disclosure, or modification based on confidentiality, integrity, and availability requirements. The "Rules of Behavior" apply to all employees/users (including corporate, Government, Modernization Partner, and Trading Partner) of the FSA/COD computer system and their host applications.

The rules delineate responsibilities and expectations for all individuals supporting the COD programs. Non-compliance of these rules will be enforced through sanctions commensurate with the level of infraction.

Depending on the severity of the violation, sanctions may range from a verbal or written warning, removal of system privileges/access for a specific period of time, reassignment to other duties, or termination.

Violation of these rules and responsibilities could potentially result in prosecution under local, State, and/or Federal law.

### Physical Security

- Keep all badges, access codes, and keys under personal protection.
- Wear your assigned identification security badge at all times while in the office/building.
- Ensure your visitors have signed the visitor's log/are escorted at all times.
- Never allow any individual who does not have proper identification access to the office space.
- Stop and question any individual who does not have proper identification and contact Security immediately. Seek the support and cooperation of co-workers as appropriate.
- Maintain control over your corporate/Government provided hardware/software to prevent theft,

unauthorized use/disclosure, misuse, denial of service, destruction/alteration of data, and/or violation of Privacy Act restrictions.

- Keep your desk clean to ensure that sensitive and proprietary information does not get hidden in minutia and therefore not properly secured/protected when not in use because it is not visible.

## Computer Virus Protection

- Use the approved anti-virus software on your personal computer.
- Avoid booting from the A: drive.
- Scan all new diskettes before using or distributing them.
- Write-protect all original vendor-supplied diskettes.
- Back up all data on your workstation and file server regularly.
- Use only authorized and appropriately licensed software.
- Report all incidents of computer viruses to your System Security Officer (SSO) or Manager.
- Do not download, introduce, or use unauthorized software from unknown or unverifiable sources. All users are required to comply with safe computing practices to reduce the risk of damage by any type of computer virus.

## Computer System Responsibilities

- Do not make copies of system configuration files (that is, /etc./passwd) for your own use, unauthorized use, or to provide to others for unauthorized use.
- Do not attempt to access any data or programs on the COD system for which you do not have authorization or explicit consent from the owner of the data or program.
- Do not, without specific authorization, read, alter, or delete any other person's computer files or electronic mail (E-mail), even if the operating system of the computer allows you to do so.
- Do not engage in, encourage, or conceal any "hacking" or "cracking," denial of service, unauthorized tampering, or unauthorized attempted use of (or deliberate disruption of) any computer system within the COD program.
  - Do not purposely engage in any activity with the intent to:
  - Degrade the performance of the system;
  - Deprive an authorized user access to a resource;
  - Obtain or attempt to obtain extra resources beyond those allocated; or
  - Circumvent security measures in order to gain access to any automated system for which proper authorization has not been granted.
- Do not download, install, or run security programs or utilities that might reveal weaknesses in the security measures or access privileges of any system. Inform the SSO when you find such a weakness.

### Trojan Horses:

A Trojan horse is an application that attempts to circumvent any security measures.

- No user, software developer, or Web developer should write or put into production any computer code, program, or script that is considered to be a Trojan Horse, or any back door means of accessing the system or applications.
- Any user that is found to introduce Trojan Horse type code, program, or script, is subject to prosecution under local, State, and Federal law and is subject to local department/corporate policies that enforce disciplinary action up to and including dismissal. This policy includes the use of .rhosts and .netrc files in any user's home directory for the purpose of avoiding entering keystrokes to gain access to any system.
- No user of any software application should attempt to circumvent any security measures for that application.
- Users should access only the resources of an application that are necessary to perform their job assignments, even though an application may grant further access privileges.

## Unofficial use of Government equipment

- Users should be aware that personal use of information resources is not authorized unless sanctioned by management.
- Do not utilize corporate/Government resources for commercial activity or any venture related to personal profit or gain.
- Do not utilize corporate/Government resources for behaviors that are unethical or unacceptable for the work environment.

## Remote access

- The project may authorize remote access to COD. It is understood that remote access poses additional security risks but may become necessary for certain job functions.
- If remote access is allowed, the CIO and the security office will regularly review telecommunications logs and COD phone records, and conduct spot-checks to determine if COD business functions are complying with controls placed on the use of dial-in lines.
- All remote access calls will use appropriate passwords.
- Do not divulge remote access details to anyone. If an employee needs dial-up access, refer him or her to the Technical Architecture team.

## Connection to the Internet

- Use of corporate/Government resources to access the Internet must be approved, and the access should be used for authorized business purposes only.
- Use of corporate/Government resources for accessing the Internet for personal gain or profit, even though you may be using your own ISP, and on your lunch hour/break, is unacceptable.
- Use of corporate/Government provided Internet access is subject to monitoring. Accessing web sites that contain material that is deemed by management to be inappropriate for the workplace, including but not limited to obscene, or sexually oriented material, is prohibited. Disciplinary action may be taken.

## E-Mail

- Users will take full responsibility for messages that they transmit through corporate/Government computers and networks facilities.
- Laws and policies against fraud, harassment, obscenity, and other objectionable material apply to electronic communications as well as any other media. Corporate, local, state, and federal laws/rules and regulations may also apply.
- All e-mail that is transmitted on corporate/Government servers is subject to monitoring by corporate/Government personnel.

## Copyright

- Never install or use any software that has not been specifically licensed or authorized for use.
- Never download software from the Internet to corporate/Government systems (which is strictly prohibited) without prior authorization/approval. Follow defined procedures for downloading software.
- Adhere to all purchased software copyright, duplication requirements, and license agreements that are imposed by the vendor. Violations place the individual, the corporation, and/or the Government at risk.
- Copyright licenses for software used by COD program personnel must be understood and complied with.

## User IDs

- Do not share user identification (IDs) or system accounts with any individual.
- When leaving a session unattended for a short period of time, lock the keyboard with a password-protected screen saver.
- Employ the automatic password/screen saver option feature offered by the operating system (in Windows, use SETTINGS, DISPLAY, SCREEN SAVER and set the time for 15 minutes as a minimum.)
- Logoff when leaving your session unattended for an extended period of time.
- Be aware of logon and logoff times to ensure that someone else is not using your ID.

## Passwords

Your password SHOULD...

- Be difficult to guess (Do not use names that are easily identified with you or appear in a dictionary, to include anniversary dates, etc.)
- Be changed frequently (at least every 90 days).
- Contain a minimum of 8 characters in length.
- Contain alphabetic and numeric characters (1 special character, 4/5 alphabet, 3/2 numeric).
- Contain at least three of the four criteria: upper case, lower case, number, or special character.
- Be changed immediately if you suspect it has been compromised.

Your password SHOULD NOT...

- Have the same character/alphanumeric appear more than once.
- Be shared with anyone.
- Be written down, posted on a “yellow stickie” stuck to your monitor or computer, documented on your calendar, stored in your wallet or purse, etc.
- Be stored on a programmable key.

Do Not check the memorize password feature on your system, which would eliminate the necessity to respond to a password prompt with other than pressing the RETURN key.

## Users

- Users are personnel authorized and able to access department IT assets. They include operators, administrators, and system/network maintenance personnel.
- All users are expected to understand and comply with this policy document and its requirements.
- Questions about the policy should be directed to the appropriate Chief Security Office (CSO) or the Department Chief Information Officer/Information Assurance (DCIO/IA).

All users will report security problems or incidents to their respective SSOs or other appropriate security official as soon as practical. Violations of security policies may lead to revocation of system access or disciplinary action up to and including termination.

## Privacy Act Data Protection

- Privacy Act data must not be transmitted unprotected.
- Privacy Act data includes: SSN, Name, Date of Birth, Mother’s Maiden Name, and other information used to identify a specific individual.
- Documents containing privacy act data are to be password protected using that month’s password when distributed electronically.
- The password is distributed monthly by the FSA SSO.
- Contact your company’s COD System Security Officer if you need to be added to the distribution list for the monthly password.
- Notify your SSO if any violations of this policy occur.

## OTHER POLICIES AND PROCEDURES

The Rules of Behavior are not to be used in place of existing policy, rather they are intended to enhance and further define the specific rules each user must follow while accessing the COD system. The rules are consistent with the policy and procedures described, but not limited to, the following directives:

- Freedom of Information Act.
- Privacy Act.
- Computer Security Act.
- Government Information Security Reform Act (GISRA).

- OMB publications.
- National Institute of Standards and Technology (NIST) publications.
- Network security manuals/procedures.
- System security manuals/procedures.
- Personnel security manuals/procedures.
- Software security manuals/procedures.
- Department of Education publications.

These responsibilities will be reinforced through scheduled security awareness training.

## Print Specifications and Forms

## Direct Loan Print Specifications

The following documents have been updated:

- Direct PLUS Loan Disclosure Statement
- Direct Subsidized/Unsubsidized Loan Disclosure Statement
  - Direct PLUS Loan Master Promissory Notes
- Direct Subsidized/Unsubsidized Loan Master Promissory Notes without data labels
- Direct PLUS Loan Plain Language Disclosure
- Direct Subsidized/Unsubsidized Loan Plain Language Disclosure

### DIRECT SUBSIDIZED/UNSUBSIDIZED LOAN MASTER PROMISSORY NOTE (MPN) – EXPIRATION DATE 07/31/2022 – PRINT SPECIFICATIONS

The Subsidized/Unsubsidized Master Promissory Note (MPN) has a unique 21-character MPN Identification Number (MPN ID). No dollar amount is printed on the MPN, and one note can be used for multiple subsidized and unsubsidized loans.

The complete MPN, including all sections, must be provided to the borrower.

The following specifications are for printing the data element labels and variable data on the Subsidized/Unsubsidized MPN which may be downloaded and printed from the following URL: <https://fsapartners.ed.gov/sites/default/files/attachments/2019-07/DLMPNsandComms.pdf>. The line gauge is 6 lines per inch. Font: Calibri 8.

## Direct Subsidized/Unsubsidized Loan MPN Sample

A sample Direct Subsidized/Unsubsidized Loan Master Promissory Note (MPN) may be accessed via the following web site:

<https://fsapartners.ed.gov/sites/default/files/attachments/2019-07/DLMPNsandComms.pdf> .

## DIRECT PLUS LOAN MASTER PROMISSORY NOTE (MPN) – EXPIRATION DATE 07/31/2022 – PRINT SPECIFICATIONS (PARENT BORROWER)

The PLUS Master Promissory Note (MPN) has a unique 21-character MPN Identification Number (MPN ID). No dollar amount is printed on the MPN, and one note can be used for multiple PLUS loans.

The complete MPN, including all sections, must be provided to the borrower.

The following specifications are for printing the data element labels and variable data on the PLUS MPN, which may be downloaded and printed from the Direct Loan Library on the Knowledge Center from this URL: <https://fsapartners.ed.gov/knowledge-center/library/program/Direct%20Loan>. The line gauge is 6 lines per inch. Font: Calibri 8.

The Borrower Information section is printed in two columns.

## Direct PLUS Loan MPN Sample

A sample Direct PLUS Loan Master Promissory Note (MPN) may be accessed via the following web site:

<https://fsapartners.ed.gov/sites/default/files/attachments/2019-07/DLMPNsandComms.pdf>.

Graduate Student Borrowers - Direct PLUS Loan Master Promissory Note (MPN) – Expiration Date 07/31/2022 – Print Specifications

The PLUS Master Promissory Note (MPN) for graduate student borrowers has a unique 21-character MPN Identification Number (MPN ID). No dollar amount is printed on the MPN, and one note can be used for multiple Grad PLUS loans.

The same MPN form is used for both parent PLUS and Grad PLUS loans. The complete MPN, including all sections, must be provided to the borrower.

The following specifications are for printing the data element labels and variable data on the Grad PLUS MPN pre-printed form without labels. The line gauge is 6 lines per inch. Font: Calibri 8

The Borrower Information section is printed in two columns.

## Direct PLUS Loan MPN Sample

A sample Direct PLUS Loan Master Promissory Note (MPN) may be accessed via the following web site  
<https://fsapartners.ed.gov/sites/default/files/attachments/2019-07/DLMPNsandComms.pdf>.

# Direct Loan Forms

## Creating Master Promissory Note Paper Manifests

All promissory notes must be mailed and accepted by COD before the loans are booked. The hard copy promissory notes must be accompanied by a paper manifest that lists the borrower's name and MPN ID for each promissory note in the shipment. Also, the paper manifest provides a certification to be signed by an official at the school. A sample Direct Subsidized/Unsubsidized Loan MPN Paper Manifest, a sample Grad PLUS Loan MPN Paper Manifest, and a sample Direct PLUS Loan MPN Paper Manifest are provided below.

### Business Rules

1. Subsidized/Unsubsidized MPNs, Grad PLUS MPNs and PLUS MPNs must be batched separately and a separate paper manifest created for each batch.
2. Additionally, separate batches and manifests must be created for each DL school code.
3. Each batch may contain up to 100 notes.
4. After processing, the manifest is returned to the school address on the promissory note unless the school indicates another address on the manifest.
5. The Report Date (in MM/DD/YYYY format) and the Report Time (in HH:MM:SS format) indicate when the manifest was produced.
6. A page number starting with 1, incremented by 1 for each subsequent page printed, is included on each page of the manifest.
7. Records are printed in the last name alphabetical order, or numerical borrower ID order. The borrower's name is printed in last name, first name, and middle initial order. The MPN ID associated with borrower's name is printed.
8. The number of notes for shipping indicates the number of promissory notes covered by the paper manifest. It is only printed on the final page of the paper manifest.
9. The certification statement, DL school code, school name, signature block, and Financial Aid Administrator (FAA) name are only printed on the last page.

# Pell Grant Print Specifications

## ESOA Print Specifications

The Electronic Statement of Account (ESOA) details an institution's spending authorization and amount expended to date.

The ESOA report contains:

- Header - see Sample Output Document for correct header information
- Summary Information – see the following ESOA Print (Summary Information) table
- Detail Information – see the ESOA Detail Information table that follows the ESOA Print (Summary Information) table

## Summary Information

This table of print specifications is used in EDEExpress Software and is provided as an example:

### ESOA Print Specifications Summary Information

| Row | Field Name in EDEExpress   | Printing Instructions                                                                                                       |
|-----|----------------------------|-----------------------------------------------------------------------------------------------------------------------------|
| 1   | —                          | Print a blank row.                                                                                                          |
| 2   | <b>Pell School Number</b>  | Print the value for this field as defined on the Pell ESOA database table for the specified school.                         |
| 3   | <b>Entity ID</b>           | Print the value for this field as defined on the Pell ESOA database table for the specified school.                         |
| 4   | <b>School Name</b>         | Print the value for this field associated with the Reporting Campus ID # as defined on the Pell institution database table. |
| 5   | <b>State</b>               | Print the value for this field associated with the Reporting Campus ID # as defined on the Pell institution database table. |
| 6   | <b>Grantee Duns Number</b> | Print the value for this field as defined on the Pell ESOA database table for the specified school.                         |
| 7   | <b>Grantee UEI</b>         | Print the value for this field as defined on the Pell ESOA database table for the specified school.                         |
| 8   | <b>GAPS Award Number</b>   | Print the value for this field as defined on the Pell ESOA database table for the specified school.                         |
| 9   | —                          | Print a blank row.                                                                                                          |

| Row | Field Name in EDEExpress                                | Printing Instructions                                                                                                                                                                                                                                                                                                                                     |

PELL SCHOOL NUMBER 001005

COMMON SCHOOL IDENTIFIER 12345678

SCHOOL NAME ALABAMA STATE UNIVERSITY

STATE AL

GRANTEE DUNS NUMBER 040672685

GRANTEE UEI X9999909X999

GAPS AWARD NUMBER P063P 20041031

Transaction Date MM/DD/CCYY

Previous Pell Grant Obligation \$999,999,999.99

## Common Origination and Disbursement

2025-26 Technical Reference: Volume 6

Current Pell Grant Obligation \$999,999,999.99

Adjustment (Increase + or Decrease -) \$999,999,999.99+

Previous Pell Grant Payments \$999,999,999.99

Current Pell Grant Payments \$999,999,999.99

Adjustment (Increase +) \$999,999,999.99+

GAPS Drawdowns/Payments \$999,999,999.99

Date of Last Activity in GAPS MM/DD/CCYY

YTD Total Unduplicated Recipients 999,999

YTD Pell Accepted and Posted Disbursement Amount \$999,999,999.99

YTD Administrative Cost Allowance \$999,999,999.99

As of Document ID/Batch ID 2016-12-31T06:12:34.4599999999

Payments apply only to "Obligate/Pay" accounts.

Table 23: Grant Batch Trailer Layout  
An em dash or “—” indicates no data.

## Grant Data Requests

Data Requests are sent by schools to request information files. These files are the Multiple Reporting Record, Electronic Statement of Account, Year-to-Date, Reconciliation File, Verification Status, and Pell POP Report.

### Business Rules

1. Grant Data Requests are sent as fixed-length, flat files and not as XML documents.
2. Grant Data Requests are sent to the COD system via SAIG batch with message class PGRQ26IN (Pell) via the COD Web site.
3. After the Data Request is received and processed, a Data Request Acknowledgement record is sent back to the institution for each data request received.

An em dash or “—” indicates no data.

## GRANT DATA REQUEST ACKNOWLEDGEMENT

After a data request is received and processed by COD, a Data Request Acknowledgement is sent back to the school for each data request received.

### Business Rules

1. The Data Request Acknowledgement is provided in fixed-length, flat file format.
2. Grant Data Request Acknowledgments are sent from the COD system with message class PGRA26OP (Pell). Record Layout

## GRANT EDIT CODES

### Introduction

This section provides a table to help you interpret the various edit codes that are used and their related comments. The information is grouped according to the following column headings:

1. **Edit Code** – the number that is assigned if the edit condition(s) is met. This column also lists one of the three edit types. They are:  
 W Warning and/or Corrected  
 E Rejected
2. **Message** – the explanation that displays for the prescribed edit condition.
3. **Condition and Action** – a description of the situation that caused the edit and the action taken either to resolve it and/or to notify the school of the potential error.
4. **What It Means** – further explanation of the message in an effort to make the cause of the edit clearer.
5. **How to Fix It** – what the user must do to resolve the mistaken condition.
6. **COD Web site Edit Code** – the edit code that the user will see on the COD Web site; Web site edit codes are translated to the Pell Phase- In edit code on the SAIG Acknowledgment files.

The following comparison operators are used in performing these edits:

| Comparison Operators                                                                                                                                      | Symbol |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------|--------|
| Equals                                                                                                                                                    | =      |
| Less than                                                                                                                                                 | <      |
| Greater than                                                                                                                                              | >      |
| Less than or equal to                                                                                                                                     | <=     |
| Greater than or equal to                                                                                                                                  | >=     |
| Not equal to                                                                                                                                              | <>     |
| A parameter value that can be changed between cycles, this is the data that comes from the ALGORITHM and AWARD YEAR tables and can be made year-specific. | @      |

## Pell Grant Reports

### GRANT REPORTS OPTIONS

Grant Reports include information for Pell Grants. Grant Reports are available to schools via the school's SAIG mailbox, on the COD Reporting website, COD's Report Requests page, or via Batch Data Requests.

The COD Reporting website can be accessed via COD Web on the Services tab where the <https://analytics.cod.ed.gov> link is available.

#### Business Rules

1. Grant Reports for 2025-2026 are generated as fixed-length, pre-formatted flat files, or comma-delimited files and not as XML documents.
2. Grant Reports for 2025-2026 are viewable on the COD Reporting Web site in the following format:
  - a. Comma-Delimited (CSV)
3. Grant Reports are sent to schools SAIG mailbox in the following format options:
  - a. Fixed-length file
  - b. Comma-Delimited (CSV)
4. The Grant Reports delivery method and format options vary by report type. These specific options are discussed under the appropriate report section.

---

**Format Options:**

Format options vary by report. Not all reports are offered in all formats.

Below is a summary of all Pell Grant reports and available formats generated by the COD System.

| Report Name                                                             | Sort                     | Frequency                                  | Data Request |     | SAIG Mailbox    |              | COD Reporting Web Site |

## PELL GRANT ELECTRONIC STATEMENT OF ACCOUNT (ESOA)

The Electronic Statement of Account (ESOA) summarizes the status of a school's CFL versus the net drawdown for that award year. In addition, the ESOA provides the YTD Unduplicated Recipient Count, YTD Total Accepted and Posted Disbursements, YTD Total ACA paid to schools and net drawdown payments in G5 for the current processing day only, i.e. the sum of school-initiated drawdowns, direct payments for Obligate/Pay accounts, adjustments (+/-) less refunds and returns.

### ESOA Printing Specifications:

For more information about printing the ESOA, please refer to Volume 6, Section 7 of this technical reference.

### Business Rules

1. An ESOA can be COD system generated or may be requested by the school via batch data request, or COD Web site
  - a. The ESOA sent via data request is a retransmission of the most recent ESOA generated by COD.
2. The COD system generates an ESOA each time a school's CFL changes, regardless of funding method.
3. The ESOA is provided in the fixed-length, flat file format.
4. The ESOA is sent from the COD System with message class PGAS26OP

### Summary Record Layout

## PELL GRANT MULTIPLE REPORTING RECORD (MRR)

The Pell Grant Multiple Reporting Record (MRR) provides information to a school about a student's origination and disbursement status at other schools and the amount of the scheduled Pell Grant award disbursed. The MRR identifies two primary types of multiple reporting conditions: concurrent enrollment and potential overaward situations.

### Business Rules

1. An MRR can be COD system generated or may be requested by the school via batch data request, or COD Web site.
2. The MRR is provided in fixed-length, flat file format via a school's SAIG mailbox (message class PGMR26OP).
3. The MRR is available on the COD Reporting Web site in Comma-Delimited (CSV).
4. The Comma-Delimited (CSV) format displayed on the COD Reporting Web site will contain the same data elements and valid values in the Fixed Length record layout below with addition of commas as a separator.
5. The requested MRR on the COD Reporting Web site is named as "Pell Multiple Reporting Record – Requested".
6. The system generated MRR on the COD Reporting Web site is named as "Pell Multiple Reporting Record – System Generated".

## Record Layout

### Pell Grant Multiple Reporting Record

| Pell Grant Multiple Reporting Record |      |     |      |                                        |                                                                                                                                     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |

## PELL GRANT RECONCILIATION REPORT

The Reconciliation Report is a one-record student summary of processed records and can be helpful to a school as it completes both the year-end and ongoing reconciliation processes. This report can be downloaded, printed, or imported into a spreadsheet for comparison with the school's data. This report provides the total YTD disbursement amount per student with COD.

### Business Rules

1. The Reconciliation Report may be requested by the school via batch data request or COD Web site.
2. The Reconciliation Report is provided in fixed-length, flat file format.
3. The Reconciliation report is sent from the COD System with message class PGRC26OP.

Volume 6 – Appendices

## PELL GRANT YEAR-TO-DATE RECORD (YTD)

A Year-to-Date (YTD) Record can be requested for one given student or for all Pell Grant recipients at the school and contains detailed award and disbursement data at a transaction level. The YTD Record shows the number of recipients at the school; the number of award and disbursement records that were accepted, corrected, and rejected; and, for certain edit codes, the number of times a school received that specific edit code on a response document. The YTD Record can be used to replace a corrupt database or to reconcile records with accepted data on COD.

### Business Rules

1. The Year-To-Date Record may be requested by the school via batch data request, or the COD Web site.
2. The Year-To-Date Record is provided in fixed-length, flat file format.
3. The Year-To-Date Record is sent from the COD System with message class PGYR26OP.

Beginning in the 2025-2026 Award Year, the Pell Year-To-Date (YTD) Disbursement Record in fixed-length format will be updated to include the following formatting change(s):

- Added the following field(s):
  - o Published Program Length Years 2
  - o Published Program Length Months 2
  - o Published Program Length Weeks 2
  - o Special Program Indicator 2
  - o Program Credential Level 2
  - o Weeks Programs Academic Years 2
  - o Published Program Length Years 3
  - o Published Program Length Months 3
  - o Published Program Length Weeks 3
  - o Special Program Indicator 3

- o Program Credential Level 3
- o Weeks Programs Academic Years 3
- Modified the following field(s):
  - o Published Program Length Years modified to Published Program Length Years 1
  - o Published Program Length Months modified to Published Program Length Months 1
  - o Published Program Length Weeks modified to Published Program Length Weeks 1
  - o Special Program Indicator modified to Special Program Indicator 1
  - o Program Credential Level modified to Program Credential Level 1
  - o Weeks Programs Academic Year modified to Weeks Programs Academic Years 1

The Total Record Length will remain unchanged. The formatting changes will be applicable to award years 2025-26. Prior year versions of this report will not be updated to reflect these changes.

Table 36: Pell Grant Year-To-Date (YTD) Record Disbursements  
An em dash or “—” indicates no data.

## PELL GRANT PENDING DISBURSEMENT LIST

The Pending Disbursement List report provides a listing of all Pell anticipated disbursements (DRI = false) with a disbursement date 8 to 30 days in the future.

### Business Rules

1. The Pending Disbursement List is automatically sent to the school's SAIG mailbox on a weekly basis in the following formats:
  - a. Comma-Delimited (CSV) (message class PGPE26OP)
2. The Pending Disbursement List is available via the COD Web site in the following format:
  - a. Comma-Delimited (CSV)
  - b. The Pending Disbursement List available on the COD Web site is the report most recently generated by COD.
3. The report will be sent to schools weekly until the last day of December for the specific award year. Example: Award year 2025-2026 ends 9/30/2026; the final date that COD would generate the Pending Disbursement List for 2025-2026 would be 12/31/2026.
4. Although the Pending Disbursement List is a weekly report, the report will not be generated for a given school unless the school has one or more disbursements meeting the following criteria:
  - a. Anticipated Pell disbursements (DRI = false) with a disbursement date up to 6 days before the report generation date, or
5. If the weekly report generation criteria are met, a Pending Disbursement List report will be generated containing all Pell anticipated disbursements (DRI = false) for the reported Award Year.
6. An annual Pending Disbursement List report will be sent to schools between July 26 and August 1 of each trailing Award Year (e.g. between July 26 and August 1, 2026 for the 2025-2026 Award Year), regardless of whether the weekly report generation criteria are met or not. This report will contain all anticipated Pell disbursements (DRI = false) for that Award Year.

## COMMA-DELIMITED (CSV) DETAIL RECORD LAYOUT

## PELL GRANT VERIFICATION STATUS REPORT

The Verification Status Report is designed to assist schools with early intervention for complying with verification requirements. It lists all students selected for verification by CPS with a verification status code of “blank” or “W”.

### Business Rules

1. The Verification Status Report is automatically sent to the school’s SAIG mailbox on a monthly basis in the following format:
  - a. Comma-Delimited (CSV) (message class PGVS26OP)
2. The Verification Status Report is available via the COD Web site in the following format:
  - a. Comma-Delimited (CSV)
  - b. The Verification Status Report available on the COD Reporting Web site is the report most recently generated by COD.
3. Schools submit a data request for the Verification Status Report either through Batch or the COD Web site.
  - a. The Reporting School Entity ID is required on the data request while the Attended School Entity ID is optional.
    - If no Attended School Entity ID is submitted (zero filled), then the report will consist of the Reporting School and all the associated Attended School(s) student records.
    - If an Attended School Entity ID is submitted, then the report will list the Reporting School and only contain that Attended School student records.
4. The report will be sent to schools monthly until the last day of December for that specific award year. Example: Award year 2025-2026 ends 9/30/2026; the final date that COD would generate the Verification Status Report for 2025-2026 would be 12/31/2026.
5. Although the Verification Status Report is generated monthly, if there is no data for the report on a given month, the report will not be sent to the schools’ SAIG mailbox or made available via the COD Reporting Web site.

Table 38: Pell Verification Status – Comma Delimited (CSV) Record

## PELL POP REPORT

The Pell POP Report is sent to all schools that have reported disbursements for students that are in or have been in a POP situation for this award year. The report lists all students currently in POP, all students no longer in POP and all schools involved in the POP situations.

### Business Rules

1. The Pell POP Report is automatically sent to the school's SAIG Mailbox on a weekly basis in the following format:
  - a. Comma-Delimited (CSV) (message class PGPO26OP)
2. The Pell POP Report is available on the COD Reporting Web site on a weekly basis in the following format:
  - a. Comma-Delimited (CSV)
3. Schools can also submit a data request for the Pell POP Report either through Batch or the COD Web site.
  - a. Pell POP Reports generated as a result of a data request are sent to the school's SAIG mailbox in Comma-Delimited (CSV) format (message class PGPR26OP).
  - b. The Reporting School Entity ID is required on the data request while the Attended School Entity ID is optional.
    - If no Attended School Entity ID is submitted (zero filled), then the report will consist of the Reporting School and all the associated Attended School(s) student records.
    - If an Attended School Entity ID is submitted, then the report will consist of the Reporting School and only that Attended School student records.
  - c. The report generated as of result of a data request will contain data as of the previous night's processing.
4. The Pell POP Report is grouped by Attended School ID
  - a. Within each Attended School ID group, the Pell POP Report groups students who:
    - Are currently in a POP situation for this award year
    - Have been in a POP situation during this award year but are no longer in a POP situation. Students no longer in a POP situation include:

- 1 Students for whom a school has submitted a negative disbursement to resolve the situation
  - 2 Students for whom COD has reduced all disbursements to \$0 because the POP situation has gone unresolved for more than 30-Days
- b. Within each grouping, students are sorted by Last Name, First Name, Middle Name, SSN, and DOB.
5. The Pell POP Report will be sent to schools monthly until the last day of December for that specific award year. Example: Award year 2025-2026 ends 9/30/2026; the final date that COD would generate the Verification Status Report for 2025-2026 would be 12/31/2026.
  6. Although the Pell POP Report is generated weekly, if there is no data for the report on a given week, the report will not be sent to the schools' SAIG mailbox or made available via the COD Reporting Web site.
  7. The requested Pell POP Report in the COD Reporting Web site is named as "Pell POP - Requested".
  8. The system generated Pell POP Report that includes school data for Attending Schools in the COD Reporting Web site is named as "Pell POP - Attending".
  9. The system generated Pell POP Report that includes school data for the Reporting School and all associated Attending Schools in the COD Reporting Web site is named as "Pell POP – All Campuses".

The Pell POP Report is only sent to a school for that week if it currently has at least one student in POP.

Table 39: Pell POP – Comma Delimited (CSV) Record

## PELL LIFETIME ELIGIBILITY USED 2025-2026 REPORT

The 2025-2026 Pell Lifetime Eligibility Report identifies Pell eligible FPS applicants for the 2025-2026 award year that are approaching or have exceeded the 600.000% LEU limit. Records displayed on the “Pell Lifetime Eligibility Used 2025-2026” report will be a snapshot of data on the COD System as of the report run time.

### Business Rules

1. The report is limited to 2025-2026 award year Pell eligible FPS applicants with an LEU greater than or equal to 450.000%
2. The report is based on the applicant’s eligible highest FPS transaction number.
3. Data on the report is cumulative and sorted ascending by Social Security Number.
4. The data in the report is compiled based on the Federal School Code the applicant included on his or her 2025-2026 FAFSA®.
5. The OPE ID associated with the school’s Federal School Code will determine which schools’ TG mailbox will receive the report.
6. The Pell Lifetime Eligibility Used Report is automatically sent to the school’s SAIG Mailbox on a weekly basis in the following format:
  - a. Comma-Delimited (CSV) (message class PGLE26OP)
7. The Pell Lifetime Eligibility Used Report is available via the COD Web site in the following format:
  - a. Comma-Delimited (CSV)
  - b. The Lifetime Eligibility Used Report available on the COD Reporting Web site is the report most recently generated by COD.

Table 40: Pell Lifetime Eligibility Used 2025-2026 Report – Comma Delimited (CSV) Detail Record

## PELL GRANT SCHOOL ACCOUNT STATEMENT (SAS)

The Pell Grant SAS is a monthly statement, similar to a bank statement, which summarizes the school's processing activity for that month and/or Year-to-Date (YTD). This statement can be used as a reconciliation tool to compare to both your financial aid and business office records.

### Sections of the SAS

**Cash Summary** - This section of the SAS provides the Department's official Ending Cash Balance for the school for the reported period. The Cash Summary contains both a monthly and a year-to-date summary of cash and loan data processed at COD for that program year. This information is automatically included in the SAS. This section can be compared to summary information on the school's internal systems. The comparison may then identify areas where further research is needed. The Pell Grant Cash Summary section will include the Beginning Cash Balance and the Department of Education's official Cash > NAPD as of the end date of the file. The Monthly Pell Grant Cash Summary section will include a monthly summary of cash and disbursement data processed on the COD System. The YTD Pell Grant Cash Summary section will include a year-to-date summary of cash and disbursement data processed on the COD System during the Award Year. If a school with NAPD activity for the year has a month without new NAPD, detailed activity, or cash activity, they will still receive a Pell Grant SAS Report for that month. The Cash Summary section will include the process date, which is the processing date the report was generated.

**Cash Detail** - This section of the SAS provides details on cash transactions processed by the COD System. Transaction types included in this section are: drawdowns, drawdown adjustments, disbursement offsets, refunds of cash, returns, and/or reversals. Schools will be defaulted to receive the Monthly Pell Grant Cash Detail, but can update their preferences on COD Web to receive the YTD Pell Grant Cash Detail, or both, depending on the Report Activity Type selected by the school. The monthly Cash Detail section will include cash transactions processed on the COD System during the month, and the YTD Cash Detail section will include cash transactions processed from the start of the award year through the End Date of the file. If a school opts to receive both the Monthly and YTD Report Activity Types on COD Web, they will receive the monthly and YTD Pell Grant Cash Detail sections in different files. Schools will not have the ability to opt out of the Cash Detail Section for Pell Grant SAS Report.

**Disbursement Detail** - This section of the SAS provides transaction level details for all disbursement and adjustment transactions funded and applied or processed on the COD System, including both financial and non-financial transactions for funded and applied disbursements. Schools will have the option of receiving the Monthly Disbursement Detail section, the YTD Disbursement Detail section, or both.

**Award Level Disbursement Summary** - This section of the SAS provides year-to-date award level details for all awards with a funded and applied disbursement through the end date of the file. It is only available to schools who have opted to receive the Report Activity Type of YTD or Both and the Award Level Disbursement Summary section on the SAS Options page of COD Web.

### Business Rules

1. The Pell Grant SAS is only available in Comma-Delimited with Headers format.
2. The COD System generates the Pell Grant SAS on a monthly basis and automatically sends it to a school's SAIG mailbox.

3. The Pell Grant SAS is generated on the first full weekend of the month and includes all data through the last day of the previous month. If the first day of the month falls on a Sunday, the SAS will run the following weekend. For example, the October SAS report, containing all data through October 31, will be run on the first full weekend of November.
4. The Pell Grant SAS will be generated each month for all schools that have at least one disbursement funded and applied or cash activity for that award year, and it will contain both a summary and detailed information.
5. Schools will continue to receive a Pell Grant SAS every month until the processing deadline has passed. Once a school has confirmed closed out for the award year the Pell SAS will stop generating unless the school reopens or they process disbursement and/or cash transactions which will cause an automatic reopen.
6. A school will receive a Pell Grant SAS after the processing deadline if the school has Net Accepted and Posted Disbursement (NAPD) activity or cash activity during the reported month.
7. Pell Grant SAS reports will also be generated for schools on extended processing every month including the month the extended processing expires.
8. All monetary fields in all sections of the Pell Grant SAS will include dollar amounts with pennies.
9. Pell Grant SAS will include non-financial disbursement adjustments in disbursement detail sections of the SAS Disbursement Detail on Demand and regularly scheduled SAS. For a non-financial transaction to be included in the disbursement detail section of a regularly scheduled SAS, it must have been submitted and accepted by the COD system after an earlier financial transaction was funded and before the end of the month.
10. The Disbursement Detail section will be sorted in the following order:
  - a. Attending School Pell ID ascending
  - b. Within the same Attending School Pell ID, SSN ascending
  - c. Within the same SSN, Disbursement Number ascending
  - d. Within the same Disbursement Number, order adjustments processed ascending
11. The Award Level Disbursement Summary section will be sorted in the following order:
  - a. Attending School Pell ID ascending
  - b. Within the same Attending School Pell ID, SSN ascending

## 12. Authorized users may modify their Pell Grant SAS Options via the SAS Options page on the COD Web

- a. Users update the Report Activity Type field. Options included:
  - Monthly (Default)
  - Year to Date
  - Both (Monthly and YTD)
- b. Based on the option a school selects under the Report Activity Type drop down box these are the disbursement sections a school can select to receive:
  - If a school chooses a report activity type of Monthly, the school will receive the Disbursement Detail and Cash Detail monthly section.
  - If a school chooses a report activity type of Year-to-Date, the school will have the option to receive the Disbursement Detail and/or the Award Level Disbursement Summary Year-to-date sections. If the school chooses both the Disbursement Detail and Award Level Disbursement Summary they will receive each under a separate message class (report). Both options will include the YTD Cash Detail.
  - If a school chooses a report activity type of Both (Monthly and Year-to-Date), the school can choose to receive the Disbursement Detail, and have the option to select the Disbursement Detail Year-to-Date and/or the Award Level Disbursement Summary Year-to-date. Based on the choices a school makes, they may receive up to three separate message classes (reports).
- c. Schools may set or change their SAS options at any time. Changes will be applied to the next scheduled run of the Pell Grant SAS file.
- d. Schools new to the Pell Grant program or schools that have not changed their options on the COD Web site are set to the default values which are a report activity type of monthly and receive the Disbursement Level Detail report.
- e. A school's SAS options for the current award year will be carried over to the next award year with New Award Year Setup. If a school wants different options for different award years, it must update its options separately for each award year. Schools should ensure they are in the correct program year in the Pell Grant SAS Report Options screen before updating their options.
- f. Users cannot opt out of receiving both Disbursement Detail and Award Level information.
- g. The table below demonstrates which reports a user will receive based off their Pell Grant SAS Options:

| Report Activity Type | Reports Selected    |                          |             | File(s) Received                   |      |      |
|----------------------|---------------------|--------------------------|-------------|------------------------------------|------|------|
|                      | Monthly Disb Detail | Year-to-Date Disb Detail | Award Level | PGSM                               | PGSY | PGSA |

## PELL GRANT SCHOOL ACCOUNT STATEMENT (SAS) DISBURSEMENT DETAIL ON DEMAND

The Pell Grant School Account Statement (SAS) Disbursement Detail on Demand is generated daily from requests made through the New Reports Request page on the COD Website. The report will be limited to the Disbursement Level Detail Section.

The Pell SAS Disbursement Detail on Demand is available in Comma Delimited with Headers format only. The report is delivered to a school's SAIG mailbox using award year specific message classes. Attending Schools are only allowed to request Pell SAS Disbursement Detail on Demand for that campus. Reporting Schools may request Pell SAS Disbursement Detail on Demand for either that campus or all campuses.

### Business Rules

1. The Pell Grant School Account Statement (SAS) Disbursement Detail on Demand is an on demand report available via the New Reports Requests page on the COD Website.
2. All monetary fields of the Pell Grant SAS Disbursement Detail on Demand will include dollar amounts with pennies.
3. Users may select Month-to-Date, Year-to-Date, or enter a specific date range for their Pell Grant SAS Disbursement Detail on Demand.
4. The Pell Grant SAS Disbursement Detail on Demand file is delivered to a school's SAIG mailbox in Comma-Delimited with Headers format using the following message classes:
  - a. Month-to-Date (PSOM26OP)
  - b. Year-to -Date (PSOY26OP)
  - c. Date Range (PSOR26OP)
5. Even if a school requests a Pell Grant SAS Disbursement Detail on Demand, they will still receive their Pell Grant School Account Statement (SAS) each month automatically via their SAIG Mailbox.
6. The disbursements will be sorted in the following order:
  - a. Attending School Pell ID ascending
  - b. Within the same Attending School Pell ID, SSN ascending
  - c. Within the same SSN, Disbursement Number ascending
  - d. Within the same Disbursement Number, order adjustments processed ascending
7. The Pell Grant SAS Disbursement Detail on Demand File will be delivered in the following message classes:

| Message Class | Batch ID | Data Description                                                                             | Record Length | Destination Mailbox |

## PELL-IASG WEEKLY CORONAVIRUS REPORT

The Pell-IASG Weekly Coronavirus Report provides cumulative data of students at a specific school that have received Coronavirus Relief for Pell and IASG programs. IASG content within this report is no longer relevant beginning with 2024-25.

### Business Rules

1. The Pell-IASG Weekly Coronavirus Report will be available via the COD Reporting Web site.
2. The report will be generated on a weekly basis.
3. When there is no data to be displayed in the report, the Report Search Page will display that no results were found.
4. The report will be sorted by the following fields in ascending order:
  - a. OPE ID
  - b. School Name of Main School

Common Origination and Disbursement

2025-26 Technical Reference: Volume 6

- c. Award Year
- d. Student Last Name
- e. Sub Program
- f. Flagged Disbursement Number

# Teacher Education Assistance for College and Higher Education Grant Reports

## TEACH GRANT REPORTS OPTIONS

Teacher Education Assistance for College and Higher Education (TEACH) Grant reports are available to schools in a variety of format options. TEACH Grant reports are available via the school's SAIG mailbox, on the COD Reporting Web site, or COD's Report Requests page.

### Business Rules

1. TEACH Grant Reports for 2025-2026 are sent to schools as a flat file and not an XML document.
2. TEACH Grant Reports for 2025-2026 are sent to school's SAIG mailbox in the following format options. Not all reports are offered in all formats:
  - a. Comma-Delimited (CSV)
3. Many TEACH Grant Reports for 2025-2026 are viewable on the COD Web site in the following format option:
  - a. Comma-Delimited (CSV)
4. Some report options are tailored to a specific report. These specific options are discussed under the appropriate report section.

Below is a summary of all TEACH Grant reports and available formats generated by the COD System.

## Format and Delivery Methods

| Report Name                                                              | Report Selection Web Page                     | Sort                     | Frequency | SAIG Mailbox    |              |                   | COD Web Site |                 |

## TEACH GRANT MULTIPLE REPORTING RECORD (MRR)

The Multiple Reporting Record (MRR) provides information to a school about a student's origination and disbursement status at other schools and the amount of TEACH Grant award(s) disbursed. The TEACH Grant MRR only identifies one primary type of multiple reporting conditions: concurrent enrollment.

### Business Rules

1. An MRR can be COD system generated or requested via the COD Web site.
2. The MRR is provided in fixed-length, flat file format via a school's SAIG mailbox (message class THMR26OPu)
3. The MRR is available on the COD Reporting Web site in Comma-Delimited (CSV).
4. The Comma-Delimited (CSV) format displayed on the COD Reporting Web site will contain the same data elements and valid values in the Fixed Length record layout below with addition of commas as a separator.
5. The requested MRR on the COD Reporting Web site is named as "TEACH Multiple Reporting Record – Requested".
6. The system generated MRR on the COD Reporting Web site is named as "TEACH Multiple Reporting Record – System Generated".

## TEACH GRANT SCHOOL ACCOUNT STATEMENT (SAS)

The TEACH School Account Statement (SAS) is a monthly statement, similar to a bank statement, which summarizes a school's TEACH processing activity for each month. The TEACH SAS is a school's primary tool used in reconciliation and should be compared to both financial aid and business office records. This file provides the Department's official ending cash balance as of the end date of the file, based on data submitted by a school. As such, all schools with cash or disbursement activity within the award year will receive the TEACH SAS on a monthly basis.

### Sections of the TEACH SAS

**Cash Summary** - This section of the TEACH SAS provides the Department's official Ending Cash Balance for a school for the reported period. The Cash Summary contains both a monthly and a year-to-date summary of cash and disbursement data processed at COD for that program year. This section can be compared to summary information on a school's internal systems. The comparison may then identify areas where further research is needed.

**Cash Detail** - This section of the TEACH SAS provides detail on cash transactions processed at COD during the reported period. This includes drawdowns, drawdown adjustments, refunds of cash, returns, and/or reversals. If the monthly option is chosen, this section will only include cash transactions processed at COD during that month. If the year-to-date option is chosen, the section will include cash transactions processed at COD from the start of the program year through the end date of the file.

**TEACH Disbursement Detail** - This section of the TEACH SAS provides transaction-level detail for all disbursement and adjustment transactions processed in COD during the reported period. If the monthly option is chosen, this section will include disbursements booked in COD during the reported month as well as year-to-date unbooked disbursements. If the year-to-date option is chosen, the section will include all disbursements, booked and unbooked, in COD as of the end date of the report. This information can be used to do a transaction-level comparison to the school's internal records, for either that month, or year-to-date. Note that for TEACH, unbooked disbursements are typically future dated disbursements. In most cases, unbooked disbursements appearing on the TEACH SAS are rare.

### Business Rules

1. The COD system generates the TEACH SAS and automatically sends it to a school's SAIG mailbox.
2. The TEACH SAS is generated monthly and includes all data through the last day of the previous month depending on school's selection of monthly or year-to-date.
3. The TEACH SAS displays pennies for all dollar amount fields.
4. Schools have the option to select the TEACH SAS Report Activity Type on the COD Web site.
  - a. The choices for the Report Activity Type option are:

- Monthly (Default)
  - Year-to-Date
  - Both Monthly and Year-to-Date
- b. Schools may set or change their Report Activity Type option at any time. Changes will be applied to the next scheduled run of the TEACH SAS file.
  - c. Schools new to the TEACH program or schools that have not changed their options on the COD Web site are set to the default value of monthly for Report Activity Type.
  - d. A school's SAS options for the current award year will be carried over to the next award year with New Award Year Setup. If a school would like different TEACH SAS options for each award year, the TEACH SAS options need to be updated separately for each award year. Schools should ensure they are in the correct program year in the TEACH SAS Report Options screen before updating their options.
5. The TEACH SAS file is delivered to a school's SAIG mailbox in Comma-Delimited format using the following message classes:
    - a. Monthly file (message class THSM26OP)
    - b. Year-to-Date file (message class THSY26OP)

| Message Class | Batch ID | Data Description                                                | Record Length | Destination Mailbox |
|---------------|----------|-----------------------------------------------------------------|---------------|---------------------|
| THSMYYOP      | TS       | TEACH School Account Statement (Month-to-Date, Comma Delimited) | N/A           | From TG71900        |
| THSYYYOP      | TW       | TEACH School Account Statement (Year-to-Date, Comma Delimited)  | N/A           | From TG71900        |

Table 59: Year-To-Date Message Classes

**Format Options:**

The TEACH Grant School Account Statement (SAS) formats remain unchanged from 2024-25. For 2023-24 and prior formats, refer to the 2023–2024 COD Technical Reference (May 2023 Update).

## TEACH SCHOOL ACCOUNT STATEMENT DISBURSEMENT DETAIL ON DEMAND

The TEACH SAS Disbursement Detail on Demand report is generated daily from requests made through the Reports Request page on the COD Website. The report is limited to the Disbursement Detail section. The report will be delivered via SAIG to a school's mailbox.

The TEACH SAS Disbursement Detail on Demand is available for all active TEACH Grant Award Years. Users may select the Award Year via the COD Reporting web site's New Report Request page. The report will be delivered to a school's SAIG mailbox using award year specific message classes.

### Business Rules

1. The TEACH SAS Disbursement Detail on Demand is an on demand report available via the New Reports Request page on the COD Website.
2. The TEACH SAS Disbursement Detail On-Demand displays pennies for all dollar amount fields.
3. Users may select Month-to-Date, Year-to-Date, or enter a specific date range for their TEACH SAS Disbursement Detail on Demand.
4. The report will contain booked and unbooked activity.
5. Schools have the following selection criteria:
  - a. Month to Date
  - b. Year to Date
  - c. Date Range
6. The TEACH SAS Disbursement Detail On Demand file is delivered to a school's SAIG mailbox in Comma-Delimited with Headers format using the following message classes:
  - a. Month to Date (TSOM26OP)
  - b. Year to Date (TSOY26OP)
  - c. Date Range (TSOR26OP)
7. Schools will continue to receive their School Account Statement each month automatically which contains the Department's official record of your Ending Cash Balance.

8. The TEACH SAS Disbursement Detail On Demand File will be delivered in the following message classes:

| Message Class | Batch ID | Data Description                                                                              | Record Length | Destination Mailbox |

## TEACH GRANT PENDING DISBURSEMENT LIST

This report provides a listing of all TEACH Grant anticipated disbursements (`DRI = false`).

### Business Rules

1. The Pending Disbursement List is automatically sent to the school's SAIG mailbox on a weekly basis in the following format:
  - a. Comma-Delimited (CSV) with message class THPE26OP
2. The Pending Disbursement List is available via the COD Web site in the following format:
  - a. Comma-Delimited (CSV)
    - b. The Pending Disbursement List available on the COD Web site is the report most recently generated by COD.
3. Although the Pending Disbursement List is a weekly report, the report will not be generated for a given school unless the school has one or more disbursements meeting the following criteria:
  - a. Anticipated TEACH disbursements (`DRI = false`) with a disbursement date up to 6 days before or 30 days after the report generation date
4. If the weekly report generation criteria are met, a Pending Disbursement List report will be generated containing all TEACH anticipated disbursements (`DRI = false`) for the reported Award Year.
5. An annual Pending Disbursement List report will be sent to schools between September 24 and September 30 of each trailing Award Year (e.g. between September 24 and September 30, 2026 for the 2025-2026 Award Year), regardless of whether the weekly report generation criteria are met or not. This report will contain all anticipated TEACH disbursements (`DRI = false`) for that Award Year with disbursement dates any date in the past and up to 30 days after the report generation date.

Table 69: TEACH Grant Pending Disbursement List    Comma-Delimited (CSV) Detail Record

## TEACH REBUILD FILE

An electronic Rebuild file can be requested to rebuild a school's lost or corrupted TEACH Database or to recreate specific student records. Schools, Customer Service, Third Party Servicers, and authorized FSA personnel can request a TEACH Rebuild via the COD Web site.

### Business Rules

1. The TEACH Rebuild File will be provided in a fixed-length file format (message class THRB26OP)
2. Schools, Customer Service, Third Party Servicers, and authorized FSA personnel can request a TEACH Rebuild via the COD Web site.
3. A TEACH Rebuild File can be requested by a school for a specific:
  - a. Award Year (e.g. 2025-2026) – provides all the award/disbursement information for the entire award year
  - b. Student - provides award(s)/disbursement(s) information for one particular student by Social Security Number
  - c. Award ID - provides award/disbursement information for a specific Award ID
  - d. Date Range – provides award(s)/disbursement(s) information within a range of dates for a particular award year.
4. Disbursements with Disbursement Release Indicator (DRI) equal to false are not included on the TEACH Rebuild origination detail record.
5. All amount fields displayed on the TEACH Rebuild file display pennies with an implied decimal.

#### Date Range Option:

The date range option selects awards accepted within the date range and provides all disbursement transactions, including disbursement adjustments, related to these awards.

Beginning in the 2025-2026 Award Year, the TEACH Rebuild Disbursement Detail Record in fixed-length format will be updated to include the following formatting change(s):

- Added the following field(s):
  - o Published Program Length Years 2
  - o Published Program Length Months 2

- o Published Program Length Weeks 2
- o Special Program Indicator 2
- o Program Credential Level 2
- o Weeks Programs Academic Years 2
- o Published Program Length Years 3
- o Published Program Length Months 3
- o Published Program Length Weeks 3
- o Special Program Indicator 3
- o Program Credential Level 3
- o Weeks Programs Academic Years 3
- Modified the following field(s):
  - o Published Program Length Years modified to Published Program Length Years 1
  - o Published Program Length Months modified to Published Program Length Months 1
  - o Published Program Length Weeks modified to Published Program Length Weeks 1
  - o Special Program Indicator modified to Special Program Indicator 1
  - o Program Credential Level modified to Program Credential Level 1
  - o Weeks Programs Academic Year modified to Weeks Programs Academic Years 1

The Total Record Length will remain unchanged. The formatting changes will be applicable to award years 2025-26. Prior year versions of this report will not be updated to reflect these changes.

## TEACH AGREEMENT DISCHARGE REPORT

The Agreement Discharge Report contains data on Agreements that have become inactive within the last 30 days due to discharges for Death, Unauthorized Signature or Identity Theft.

This report can be used to

- Identify when a new Agreement is needed for an award at your school.
  - If an Agreement has been made inactive due to a discharge, it cannot be used for additional awards. If you expect to award and disburse additional funds to the affected borrower or student, verify that the individual is still eligible and obtain a new, signed promissory note.

### Business Rules

1. The Agreement Discharge Report is sorted in the following order (with each field listed in ascending order):
  - a. Discharge Date
  - b. Last Name
  - c. First Name
  - d. Middle Name
  - e. SSN, and then
  - f. DOB
2. The Agreement Discharge Report is available via SAIG in the following format:
  - a. Fixed-Length (default)
3. The Agreement Discharge Report (all format types) is sent from the COD System with non-award year specific message class ATSDISOP.
4. The Agreement Discharge Report is transmitted to the Reporting School's SAIG mailbox and COD Reporting Web site on a weekly basis.
5. The Agreement Discharge Report is transmitted to the following Attended Schools on a weekly basis:

- a. All Attended Schools with loans linked to the Agreements in the report.
  - b. All Attended Schools that created the Agreements listed in the report regardless of whether or not an award was linked to the Agreement.
6. Although the Agreements Discharge Report is generated weekly, if there is no data for the report on a given week, the report will not be sent to the schools' SAIG mailbox or made available via the COD Reporting Web site.

## TEACH COUNSELING REPORT

The TEACH Counseling Report identifies students who have completed TEACH Initial and Subsequent Counseling and/or TEACH Exit Counseling via StudentAid.gov for your school within the past week (i.e. within the last 7 days of the report run date).

### Business Rules

1. The report will run weekly on Saturday and includes TEACH Initial and Subsequent Counseling and/or TEACH Exit Counseling data from the previous Saturday through the following Friday.
2. For TEACH Exit Counseling, the report will include one record per student per reporting period.
3. TEACH Initial and Subsequent Counseling, the report will include one record per student per award year for the reporting period.
  - a. If the same student completes the TEACH Initial and Subsequent Counseling multiple times in the same reporting period for the same school and same award year, only the latest record will be included in the report. If the same student completes the counseling for the same school but for different award years, the student will have two records in the report.
4. The report will be available via the COD Reporting Portal under the School Report Search Page as 'TEACH Counseling'. The report will be generated in 'Comma Delimited with Headers' format with the following format conditions:
  - a. Trailing Spaces will be removed for all fields
  - b. All Student names will be Upper Case
  - c. All dates will be formatted to YYYY-MM-DD
5. The TEACH Counseling Report is sorted ascending by Social Security Number and descending by Completion Date and Completion Time.

## TEACH WEEKLY CORONAVIRUS REPORT

The TEACH Weekly Coronavirus Report provides cumulative data of students at a specific school that have received Coronavirus Relief for the TEACH Grant Program.

### Business Rules

1. The TEACH Weekly Coronavirus Report will be available via the COD Reporting Web site.
2. The report will be generated on a weekly basis.
3. When there is no data to be displayed in the report, the Report Search Page will display that no results were found.
4. The report will be sorted by the following fields in ascending order:
  - a. OPE ID
  - b. School Name of Main School
  - c. Award Year
  - d. Servicer Name
  - e. Student Last Name
  - f. Award ID
  - g. Flagged Disbursement Number

# Direct Loan Reports

## DIRECT LOAN REPORTS OPTIONS

Direct Loan Reports are available to schools in a variety of format options. Direct Loan reports are available via the school's SAIG mailbox, COD's new Report Requests page, and/or on the COD Reporting Web site.

### Business Rules

1. Direct Loan Reports for 2025-2026 are sent to schools as a flat file and not an XML document.
2. Direct Loan Reports for 2025-2026 and prior years are sent to school's SAIG mailbox in the following format options. Not all reports are offered in all formats:
  - a. Comma-Delimited (CSV)
  - b. Fixed-length File
  - c. Do Not Distribute - This is only available for specific reports (see the individual report Business Rules for more information). If this option is chosen, the report will not be generated and sent to a school's SAIG mailbox, although prior versions will still be available for viewing on the COD Web site. Schools can select the Do Not Distribute option from the COD Web site Report Selection screen at any time. Keep in mind that, if a school chooses not to receive a report, COD will not be able to send any missed reports at a later time. If a school updates its options to begin receiving a report, the school will only receive reports generated from that point forward.
3. Many Direct Loan Reports for 2025-2026 and prior years are viewable on the COD Web site in the following format options:
  - a. Comma-Delimited (CSV)
4. Delivery method and format options vary by report type. These specific options are discussed under the appropriate report section.

Below is a summary of all Direct Loan Reports and available formats generated by the COD System.

## Format and Delivery Methods

| Report Name                                                                                     | Report Selection Web Page         | Sort                                                                        | Frequency              | SAIG Mailbox    |              | COD Web Site      |                 |

Table 77: Direct Loan Batch Trailer Layout

An em dash or "—" indicates no data.

\*The minimum filler length is 44 bytes, making the minimum trailer record length 80 bytes. Filler is added, if necessary, to make the trailer records the same length as the detail records that precede them.

## DIRECT LOAN SCHOOL ACCOUNT STATEMENT (SAS)

The Direct Loan School Account Statement (SAS) is a monthly statement, similar to a bank statement, which summarizes the school's processing activity for each month. The SAS is the school's primary tool used in reconciliation and program year closeout and should be compared to both financial aid and business office records. This report provides the Department's official ending cash balance as of the end date of the report, based on data submitted by the school. As such, all schools are required to receive the SAS on a monthly basis until they have officially closed out a program year.

### Sections of the SAS

**Cash Summary** - This section of the SAS provides the Department's official Ending Cash Balance for the school for the reported period. The Cash Summary contains both a monthly and a year-to-date summary of cash and loan data processed at COD for that program year. This information is automatically included in the SAS. This section can be compared to summary information on the school's internal systems. The comparison may then identify areas where further research is needed. For example, if the school determines their internal systems match the SAS Cash Summary information for Net Drawdowns/Payments but not for Total Net Booked or Total Net Unbooked, the school can target further research to loan detail only.

**Disbursement Summary by Loan Type** - This section of the SAS provides monthly and year-to-date summary information by loan type for the reported period. It can be used to monitor loan volumes at the summary level (both booked and unbooked) for all loan types processed at COD.

**Cash Detail** - This section of the SAS provides detail on cash transactions processed at COD during the reported period. This includes drawdowns, drawdown adjustments, or refunds of cash. If the monthly option is chosen, this section will only include cash transactions processed at COD during that month. This section will not include any cash transactions requested or sent during the month, but not processed on COD until after the last day of that month. If the year-to-date option is chosen, the section will include cash transactions processed at COD from the start of the program year through the end date of the report.

**Loan Level** - This section of the SAS provides loan-level detail for disbursement transactions processed on COD through the end date of the report. Each transaction lists the total amount disbursed on that loan as of the end date of the report. This information can be used to perform an award-level comparison to your internal systems. This section is only available as year-to-date.

**Disbursement Detail** - This section of the SAS provides transaction-level detail for all disbursement and adjustment transactions processed on COD during the reported period. This section may have multiple transactions per award ID (as applicable). This section is available as monthly, year-to-date, or both. The monthly version will only show disbursements booked on COD during the reported month but will include all unbooked disbursements (unbooked transactions are always year-to-date). Unbooked disbursements include any future dated transactions with disbursement dates falling after the end of the report. The year-to-date version of the report will show all disbursements, booked and unbooked, on COD as of the end date of the report. This information can be used to do a transaction-level comparison to the school's internal records, for either that month, or year-to-date.

## Business Rules

1. The COD System generates the Direct Loan School Account Statement (SAS) monthly and automatically sends it to the school's SAIG mailbox.
2. Once a school has officially completed the closeout process for a specific program year, a school will no longer receive a SAS for that year. If the school's balances change after it has officially closed out, the school will resume receiving a Direct Loan SAS report to assist with the reconciliation process.
3. The SAS is generated on the first full weekend of the month and includes all data through the last day of the previous month. If the first day of the month falls on a Sunday, the SAS will run the following weekend. For example, the October SAS report, containing all data through October 31, will be run on the first full weekend of November.
4. Schools have the option to customize the SAS in several ways on the COD website.
  - a. The following options can be set for the Direct Loan SAS on the SAS Options page on the COD Web site (Note: Each option is described in detail below):
    - Report Format
    - Report Activity Type
    - Sections of SAS to Receive
    - **Note:** Starting with the 2024-25 Award Year, schools will not have "Include Names of Borrowers" as an option for this report. All formats of the Direct Loan SAS will automatically include Borrower Name and Student Name fields. The Borrower Name fields will populate for all loan types. Student Name fields will only populate for PLUS loans.
  - b. Schools may set or change their options at any time. Changes to SAS options will be applied to the next scheduled run of the report.
  - c. Schools new to the Direct Loan program or schools that have not changed their options on the COD Web site are set to the default values. Default values are noted in parentheses below.
  - d. A school's SAS options for the current award year will be carried over to the next award year with New Award Year Setup. If a school wants different options for different award years, it must update its options separately for each award year. Schools should ensure they are in the correct program year in the Direct Loan SAS Options screen before updating their options.
  - e. Schools may receive more than one report for an award year depending on which options are selected.

5. The **Report Format** option allows the school to select the format of the Direct Loan SAS that is delivered to its SAIG mailbox.
  - a. The choices for the Report Format option are:
    - Fixed-length flat file (**Default**) (message class `DSDF26OP` – Disbursement Detail and `DSL26OP` – Loan level)
      1. Note: In order to use the EDExpress comparison function, schools **MUST** choose fixed-length flat file format.
    - Comma-Delimited with headers (message class `DSDD26OP` – Disbursement Detail and `DSL26OP` – Loan Level)
6. The **Report Activity Type** option allows the school to select whether to receive the Monthly, Year-to-Date, or Both for both the Cash and Loan or Disbursement detail sections of the SAS. Regardless of its choice, the school will receive the Monthly Cash Summary and the Year-to-Date Cash Summary.
  - a. The choices for the Report Activity Type option are:
    - Monthly (**Default**)
    - Year-to-Date
    - Both Monthly and Year-to-Date
  - b. The school's Report Activity Type selection will determine the choices available under the Sections of SAS to Receive option.
    - If Monthly is selected,
      1. The school will receive the Monthly Cash Detail.
      2. The school will have the choice to receive or not receive the Monthly Disbursement Level Detail.
      3. The school will NOT have the choice to receive the Year-to-Date Loan Level section or the Year-to-Date Disbursement Detail section.
    - If Year-to-Date is selected,
      1. The school will receive the Year-to-Date Cash Detail.
      2. The school will have the choice to receive or not receive the Year-to-Date Loan Level section and/or the Year-to-Date Disbursement Detail section.

3. The school will NOT have the option to receive the Monthly Disbursement Detail section.
  - If Both Monthly and Year-to-Date are selected,
    1. The school will receive both the Monthly and Year-to-Date Cash Detail.
    2. The school will have the choice to receive or not receive the Monthly Disbursement Detail section.
    3. The school will have the choice to receive or not receive the Year-to-Date Loan Level section and/or the Year-to- Date Disbursement Detail section.
7. The **Sections of the SAS to Receive** option allows the school to select which sections of the SAS it receives.
  - a. The school may choose whether to receive the Summary by Loan Type section.
    - The choices for the Summary By Loan Type option are:
      1. Yes (Default)
      2. No
    - If the school selects to receive the Summary by Loan Type section, it will receive both Monthly Disbursement Summary by Loan Type and the Year-to-Date Disbursement Summary by Loan Type.
  - b. Depending on the school's selection in the Report Activity Type option, the school can choose whether to receive:
    - Monthly Disbursement Detail (**Default**)
    - Year-to-Date Disbursement Detail
    - Year-to-Date Loan Level Detail
  - c. In order to use EDEExpress comparison function, the schools MUST receive the Year-to-Date Loan Level section **and/or** Year-to- Date Disbursement Transaction Detail section.
8. The Direct Loan SAS File will be delivered in the following message classes:

| Message Class | Batch ID | Data Description                                                           | Record Length | Destination Mailbox |
|---------------|----------|----------------------------------------------------------------------------|---------------|---------------------|
| DSDDYYOP      | AS       | Direct Loan School Account Statement (Disbursement Level, Comma Delimited) | N/A           | From TG71900        |
| DSLDDYYOP     | AS       | Direct Loan School Account Statement (Loan Level, Comma Delimited)         | N/A           | From TG71900        |
| DSDFYYOP      | AS       | Direct Loan School Account Statement (Disbursement Level, Fixed Length)    | 450           | From TG71900        |
| DSLFFYYOP     | AS       | Direct Loan School Account Statement (Loan Level, Fixed Length)            | 450           | From TG71900        |

Table 78: Direct Loan SAS File Message Classes

**Format Options:**

The Direct Loan School Account Statement (SAS) in fixed length and comma delimited formats remain unchanged from 2024-25. For 2023-24 and prior formats, refer to the 2023–2024 COD Technical Reference (May 2023 Update).

## Direct Loan SAS Cash Detail

For Cash Receipts (drawdowns) and Refunds of Cash (excess cash), the G5 system is accepting pennies. However, these amounts are truncated on the SAS.

## DIRECT LOAN SCHOOL ACCOUNT STATEMENT DISBURSEMENT DETAIL ON DEMAND

Users may request a Direct Loan School Account Statement (SAS) Disbursement Detail on Demand via the COD New Reports Requests page on the COD Website. The report will be limited to the Disbursement Detail Section. The report will be delivered via SAIG to a school's mailbox.

The Direct Loan SAS Disbursement Detail on Demand is available for all active Direct Loan Award Years. Users may select the Award Year via the COD Reporting Web site. The report will be delivered to a school's SAIG mailbox using award year specific message classes.

### Business Rules

Users may request a Direct Loan School Account Statement Disbursement Detail on Demand via the New Reports Request page on the COD Website.

1. The report will be delivered in fixed-length or comma-delimited with headers formats to school mailboxes via SAIG depending on the option selected on the New Reports Requests page on the COD Website.
2. The 'Start Date' field has been added to the file layouts for the SAS Disbursement Detail on Demand
  - a. For the fixed-length SAS Disbursement Detail on Demand report, the field 'Start Date' is in positions 207-214 for award year 2023- 2024 and prior. For award year 2024-2025 and forward, the field 'Start Date' has been moved to positions 437-444.
  - b. For comma delimited with headers SAS Disbursement Detail on Demand reports, the 'Start Date' is in additional column 'CC' for award year 2023-2024 and prior. For award year 2024-2025 and forward, the field 'Start Date' has been moved to additional column 'GG'.

**Note:** These positions will continue to be filler in the Direct Loan School Account Statement for the fixed-length Disbursement Detail School Account Statement reports.

3. Schools will continue to receive their School Account Statement each month automatically which contains the Department's official record of your Ending Cash Balance.
4. The report will contain booked and unbooked activity.
5. The school will have the following Activity Type Selection criteria:
  - a. Month to Date
  - b. Year to Date
  - c. Date Range
6. The school will have the following Format Type Selection criteria:

- a. Fixed-Length
  - b. Comma-Delimited with Headers
7. The Direct Loan SAS Disbursement Detail On Demand report will have unique message classes. Note: Prior Year versions of the report will come in award year specific message classes. For example, if a user requested a report for the 2011-2012 award year, the message class will contain '12' in the message class name. A full list of the message classes will be available in the SAIG message class table in March 2013. A list of the 2025-2026 message classes are included below:
- 8.

| Activity Type | Format                       | On-Demand Message Class |
|---------------|------------------------------|-------------------------|
| Month-to-Date | Fixed-Length                 | DSMF26OP                |
| Month-to-Date | Comma-Delimited with Headers | DSMH26OP                |
| Year-to-Date  | Fixed-Length                 | DSYF26OP                |
| Year-to-Date  | Comma-Delimited with Headers | DSYH26OP                |
| Date Range    | Fixed-Length                 | DSRF26OP                |
| Date Range    | Comma-Delimited with Headers | DSRH26OP                |

Table 94: Direct Loan SAS Disbursement Detail On Demand Report Message Classes

**Format Options:**

The Direct Loan School Account Statement (SAS) Disbursement Detail on Demand in fixed length and comma delimited formats remain unchanged from 2024-25. For 2023-24 and prior formats, refer to the 2023–2024 COD Technical Reference (May 2023 Update).

## DIRECT LOAN PENDING DISBURSEMENT LISTING REPORT

The Pending Disbursement Listing Report shows all pending/anticipated disbursements (with `Disbursement Release Indicator (DRI) = false`) from your school for the reported period and award year. The reported period is a 45-day window into the future from the date of the report, or anything in the past. It will be generated if there is at least one anticipated/pending disbursement that is within the window of 6 days in the past or the 45 days into the future. This limits the frequency of the report showing same data repeatedly once the disbursement dates are in the past. There is also one final report run for all schools before the closeout deadline for DL.

The information displayed on this report can be used to:

- Determine your school's future funding needs.
  - Your school can identify pending disbursements on the report that fall within a period of immediate need (generally 3 business days), to calculate what amount to request in G5 (Advance Funded schools only). Keep in mind that any downward disbursement adjustments made since the last drawdown that have not resulted in a refund of cash back to the Department must be included in your calculation of funds needed by your school.
- To identify pending disbursements that should be reflected as actual disbursements (`DRI = true`).
  - If there are pending disbursements on the report with disbursement dates in the past or the immediate future, you can compare this information to internal school records to determine if any of these should be reflected as actual disbursements. If so, submit a `Disbursement Release Indicator = true` to COD as soon as possible.
- To identify awards or disbursements that need to be inactivated (reduced to \$0).
  - If a disbursement is listed on the report and the associated award should have been inactivated or the individual disbursement needs to be reduced to \$0, submit updated records to COD as soon as possible.

### Business Rules

1. The Pending Disbursement Listing Report is automatically sent to the school's SAIG mailbox on a weekly basis.
2. The Pending Disbursement Listing Report is available via SAIG mailbox in the following format, which can be selected via the COD Website Report Selection screen under the "School" menu:
  - a. Comma-Delimited (message class DLPD26OP)
  - b. Do Not Distribute - if this option is chosen, the Pending Disbursement Listing will not be generated and sent to your school's SAIG mailbox,

although prior versions will still be available for viewing on the COD Web site. You can select the Do Not Distribute option from the COD Web site Report Selection screen at any time. Keep in mind that, if you choose not to receive a report, COD will not be able to send any missed reports for your school at a later time. If you update your options to begin receiving a report, you will only receive reports generated from that point forward.

3. The Pending Disbursement Listing Report is available via COD Web site in the following format:
  - a. Comma-Delimited (CSV)
  - b. The Pending Disbursement List available on the COD Web site is the report most recently generated by COD.
4. The report will generate for the current and previous two Award Years. Example: for Award Year 2025-2026, a school will receive a report for Award Years 2025-2026, 2024-2025, and 2023-2024.
5. Although the Pending Disbursement List is a weekly report, the report will not be generated for a given school unless the school has one or more disbursements meeting the following criteria:
  - a. Anticipated Direct Loan disbursements (DRI = false) with a disbursement date up to 6 days before or 45 days after the report generation date
6. If the weekly report generation criteria are met, a Pending Disbursement List report will be generated containing all Direct Loan anticipated disbursements (DRI = false) for the reported Award Year with a disbursement date less than or equal to 45 days from today.

---

**Format Options:**

Previous versions of this report will also be available on the COD Reporting Web site.

7. An annual Pending Disbursement List report will be sent to schools up to 6 days before or on the Latest Date to Accept a Common Record for the Award Year, regardless of whether the weekly report generation criteria are met or not. This report will contain all anticipated Direct Loan disbursements (DRI = false) for that Award Year with disbursement dates any date in the past.

## DIRECT LOAN FUNDING DISBURSEMENT LISTING REPORT

The Direct Loan Funding Disbursement Listing Report is no longer available. Please see the Actual Disbursement List for more information about actual disbursement reports.

## DIRECT LOAN DUPLICATE STUDENT BORROWER REPORT

The Duplicate Student Borrower Report lists the student borrowers for which the COD System has accepted multiple Direct Subsidized and/or Unsubsidized Award records with overlapping academic years. Overlapping academic years is defined as having two Direct Loan awards in two different attending schools that have academic begin and end dates that overlap for at least two days where both awards are in the four most recent Award Years and award amount is greater than zero. This report assists in identifying subsequent award or disbursement records that may reject due to exceeding the annual loan limits. This report does NOT relieve the school of its responsibility to monitor all loan activity for a student through the NSLDS processes.

This information can be used to:

- Identify potential overaward situations.
- Use data on the report to identify when multiple sub/unsub awards have been originated with overlapping academic years, which could result in an overaward situation.

- If any of the listed awards at your school will not be disbursed, or will only be partially disbursed, reduce the award by the applicable amount.
- Monitor remaining awards for students listed on the report and any associated disbursements for any rejects due to overaward situations.

## Business Rules

1. The Duplicate Student Borrower Report is automatically sent to the school's SAIG mailbox on a monthly basis.
2. The Duplicate Student Borrower Report is available via SAIG mailbox in the following format, which can be selected via the COD Web site Report Selection screen under the "School" menu:
  - a. Comma-Delimited (message class DUPLCDOP)
  - b. Do Not Distribute - if this option is chosen, the Duplicate Student Borrower Report will not be generated and sent to your school's SAIG mailbox, although prior versions will still be available for viewing on the COD Web site. You can select the Do Not Distribute option from the COD Web site Report Selection screen at any time. Keep in mind that, if you choose not to receive a report, COD will not be able to send any missed reports for your school at a later time. If you update your options to begin receiving a report, you will only receive reports generated from that point forward.
3. The Duplicate Student Borrower Report is available via the COD Web site in the following format:
  - a. Comma-Delimited (CSV)
  - b. The Duplicate Student Borrower Report available on the COD Reporting Web site is the report most recently generated by COD.
4. Although the Duplicate Student Borrower Report is generated monthly, if there is no data for the report on a given month, the report will not be sent to the schools' SAIG mailbox or made available via the COD Web site.

Table 99: DL Duplicate Student Borrower Report      Comma-Delimited (CSV) Detail Record

## DIRECT LOAN REBUILD FILE

An electronic rebuild file can be requested to rebuild a school's lost or corrupted Direct Loan Database or to recreate specific student records. It may be imported into Direct Loan Tools to rebuild an EDEExpress database or into a school's vendor or mainframe system.

### Date Range Option:

The date range option selects awards accepted within the date range and provides all disbursement transactions, including disbursement adjustments, related to these loans.

### Coronavirus Indicator:

The Direct Loan Rebuild will not be updated with the Coronavirus Indicator but to minimize the impact to schools and vendors that have internal system edits on loan period dates, we will exclude any Direct Subsidized Loans that have a disbursement marked with the Coronavirus Indicator.=

### Business Rules

1. The Direct Loan Rebuild File is provided in a fixed-length file format (message class CODRBFOP).
2. A Rebuild File can be requested by a school for a specific:
  - a. Award Year (e.g. 2025-2026) – provides all the loan/disbursement information for the entire award year
  - b. Borrower/Student - provides loan(s)/disbursement(s) information for one particular student by the student's Social Security Number.
  - c. Award ID (Loan ID) - provides loan/disbursement information for a specific Award ID
  - d. Date Range – provides loan(s)/disbursement(s) information within a range of dates for a particular award year.

Beginning in the 2025-2026 Award Year, the Direct Loan Rebuild Disbursement Detail Record in fixed-length format will be updated to include the following formatting change(s):

- Added the following field(s):
  - o Published Program Length Years 2

- o Published Program Length Months 2
- o Published Program Length Weeks 2
- o Special Program Indicator 2
- o Program Credential Level 2
- o Weeks Programs Academic Years 2
- o Published Program Length Years 3
- o Published Program Length Months 3
- o Published Program Length Weeks 3
- o Special Program Indicator 3
- o Program Credential Level 3
- o Weeks Programs Academic Years 3
- Modified the following field(s):
  - o Published Program Length Years modified to Published Program Length Years 1
  - o Published Program Length Months modified to Published Program Length Months 1
  - o Published Program Length Weeks modified to Published Program Length Weeks 1
  - o Special Program Indicator modified to Special Program Indicator 1
  - o Program Credential Level modified to Program Credential Level 1
  - o Weeks Programs Academic Year modified to Weeks Programs Academic Years 1

The Total Record Length will remain unchanged. The formatting changes will be applicable to award years 2025-26. Prior year versions of this report will not be updated to reflect these changes.

An em dash or "—" indicates no data.

## DIRECT LOAN ACTUAL DISBURSEMENT LIST

The Direct Loan Actual Disbursement List report displays actual disbursements from the previous Saturday (7 days before the report generation date) through the following Friday (1 day before the report generation date). Actual disbursements appear on the report based on their post date, which indicates when each actual disbursement or adjustment is posted on the COD System.

The report includes booked, unbooked, and future dated actual disbursements and adjustments, provided they are created within the reporting period. Any actual disbursement that is in review status will not appear on the report.

Beginning October 2017, the following columns will be added to the report:

- a. School Enrollment Code
- b. Program CIP Code
- c. Loan Begin Date
- d. Loan End Date
- e. Payment Period Start Date
- f. Sum All Net Disbursement Sequence 1
- g. Sum All Net Increase Adjustments Sequence > 1
- h. Sum All Net Decrease Adjustments Sequence > 1
- i. Sum Net Reported Disbursements for this Reporting Period

### Business Rules

- 1. The Direct Loan Actual Disbursement List is sent from the COD System with message class DLAD26OP.
- 2. The Direct Loan Actual Disbursement List is applicable for Award Year 2012 – 2013 and forward.
- 3. The Direct Loan Actual Disbursement List is not generated if a school does not have any actual disbursements posted during the reporting period.
- 4. The Direct Loan Actual Disbursement List is transmitted to the school's SAIG mailbox and COD Reporting Web site on a weekly basis.

5. The Direct Loan Actual Disbursement List is available via COD Reporting Web site in CSV format.
6. The Direct Loan Actual Disbursement List is available via a school's SAIG mailbox in Comma Delimited format.
7. Schools may update their Direct Loan Actual Disbursement List Reporting Delivery options via the COD Website to the following options:
  - a. Comma Delimited (default value)
  - b. Do Not Distribute - if this option is chosen, the Direct Loan Actual Disbursement List will not be generated and sent to your school's SAIG mailbox, although prior versions will still be available for viewing on the COD Web site. New versions will also not be available in your COD Reporting Web site, on the COD Reporting Web Site. You can select the Do Not Distribute option from the COD Web site Report Selection screen at any time. This applies only to the SAIG mailbox delivery for the report.
8. The Actual Disbursement List report shall be turned off if the Award Year and/or the school has completed closed out.

## DIRECT LOAN COMPLETED PLUS APPLICATION REPORT

The Direct Loan Completed PLUS Application Report shows all PLUS Loan Requests completed within the past week on StudentAid.gov (i.e. within the last 7 days of the report run date) by a borrower listing your school. This report will allow your school to identify students who have completed PLUS Loan Requests.

### Business Rules

1. The Direct Loan Completed PLUS Application Report is available on the COD Reporting Web site.
  - a. The report contains Direct Loan PLUS Loan Requests completed within the past week. The report will run weekly on Saturday and display PLUS Loan Request data from the previous Saturday through the following Friday.

Application Report Comma-Delimited (CSV) Detail  
Record

## DIRECT LOAN COMPLETED MASTER PROMISSORY NOTE (MPN) REPORT

The Direct Loan Completed MPN Report lists all MPNs associated with your school received by the Department, either electronically through StudentAid.gov or via the paper MPN process that have been completed within the past week (i.e. within the last 7 days of the report run date). This report will allow your school to identify students who have completed MPNs.

### Business Rules

1. The Direct Loan Completed MPN Report is available via the COD Reporting Web site.
2. The report contains MPNs completed within the past week. The report will run weekly on Saturday and display MPN data from the previous Saturday through the following Friday.

## EXIT COUNSELING FILE/REPORT

Although exit counseling is available on StudentAid.gov since March 2013, Exit Counseling reports continue to be available via NSLDS.

Message class information as well as file layouts can be found in [National Student Loan Data System \(NSLDS\) Student Access Web site](#) newsletters posted on the [Knowledge Center Website](#)

If you have questions about the counseling tool on NSLDS, contact the NSLDS Customer Support Center at 800/999-8219. You can also contact Customer Support by e-mail at [nslds@ed.gov](mailto:nslds@ed.gov).

## COUNSELING REPORT

The Counseling Report shows all Entrance Counseling, Financial Awareness Counseling (This feature was retired on StudentAid.gov in November 2021), and Exit Counseling completed via StudentAid.gov for your school within the past week (i.e. within the last 7 days of the report run date).

This report will allow your school to identify students who have completed Entrance Counseling, Financial Awareness Counseling (This feature was retired on StudentAid.gov in November 2022), and Exit Counseling.

### Business Rules

1. The Counseling Report will be available via the COD Reporting Web site.
  - a. The report will run weekly on Saturday and includes Direct Loan Entrance Counseling, Financial Awareness Counseling (This feature was retired on StudentAid.gov in November 2022), and Exit Counseling data from the previous Saturday through the following Friday.
  - b. The report will be sorted ascending by Social Security number, descending by Completion Date, and descending by Completion Time.

Table 105: Counseling Report - Comma-Delimited (CSV) Detail Record

## WEEKLY CREDIT STATUS REPORT

The Weekly Credit Status report identifies borrowers at schools whose most recent Original Credit Decision is declined and not expired. The report will include PLUS borrowers whose credit requirements are not met and PLUS borrowers who met credit requirements in the past 30 days. The PLUS borrower and all Direct PLUS loans and PLUS Applications that are associated to the active credit check will be included in the report and shall be excluded if credit requirements were met more than 30 days in the past. Endorsed Direct PLUS loans will also be excluded in the report if credit requirements were met more than 30 days in the past. A separate line item will be created for every Direct PLUS loan and PLUS Application for the same borrower.

Credit requirements have been met when a Direct Loan PLUS Borrower has:

- Successful documentation of extenuating circumstances
- Receipt of an approved endorser
- Completion of PLUS Counseling
- Successful completion all PLUS Loan requirements needed for disbursement

### Business Rules

1. The Weekly Credit Status report will sort records ascending as follows:
  - a. Borrower Last Name
  - b. Borrower First Name
  - c. Borrower Middle Initial
2. The report is available via the COD Reporting Web site in only comma-delimited format.
3. The report generates weekly.

## DIRECT SUBSIDIZED LOAN USAGE CHANGE

The Direct Subsidized Loan Usage Change report is no longer available for award year 2024-2025 and forward.

## DISCREPANT LOAN DATA REPORT

The Discrepant Loan Data Report identifies loans that potentially need updates/corrections. If a loan appears on the report, schools should take action to make the necessary corrections.

### Business Rules

1. The report includes loans that meet any of the following criteria:
  - a. The sum of award's actual disbursements (i.e. DRI='True') is less than the Award Amount (and award has least one actual disbursement) The actual disbursement amount is the sum of all actual disbursements (i.e. DRI = 'True') for an award, not including any anticipated disbursement amounts.

- b. The sum of all of award's disbursements regardless of "DRI" is greater than the loan amount
  - c. All of award's disbursements have the same Payment Period Start Date (excluding single disbursement awards and awards where the Loan Period Length is less than the Academic Year Length)
  - d. Award has:
    - At least one inactive disbursement (Disbursement Amount = 0) with Payment Period Start Date inside the Loan Period (excluding awards where the Loan Period Length is less than the Academic Year Length), AND
    - At least one actual disbursement (Disbursement Amount > 0, regardless of loan amount) or has a loan amount > 0.
  - e. Award has only anticipated disbursements and the award amount and/or disbursements are greater than zero.
2. The Discrepant Loan Data Report will not include any of the following criteria:
    - a. The loan amount and all disbursements have been reduced to zero, OR
    - b. One or more of the following discharges have been applied to all Direct Loans (Direct Loan Unsubsidized, Direct Loan Subsidized, and Direct Loan PLUS):
      - Closed School
      - False Certification – Ability to Benefit
      - False Certification – Disqualifying status
      - Unauthorized Signature/Unauthorized Payment
      - Identify Theft
      - Borrower Defense
      - Disaster Relief
  3. The Discrepant Loan Data Report will sort records ascending as follows:
    - a. Student SSN
    - b. Award ID

c. Disbursement Number

4. The report is available via the COD Reporting Web site.

a. Comma-Delimited Format

5. The report is generated on a Monthly basis.

a. The report will include the most recent 3 award years that have passed the closeout start date, and posted for all schools that have awards meeting any criteria listed above.

## Using the Report

Although currently listed in the report, no update is needed on any awards for which the loan amount and all disbursements are zero

| Conditions                                                                                                                                | Troubleshooting                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |

Table 108: Discrepant Loan Data Report Comma-Delimited (CSV)

## MPN STATUS REPORT

The MPN Status Report contains data on MPNs that have:

- Become inactive within the last 30 days due to discharges for Death, Unauthorized Signature or Identity Theft
- Expired (become inactive) within the last 30 days due to a PLUS loan linked with an endorser.
- Expired (become inactive) within the last 30 days and the next 60 days due to the following reasons:
  - No award linked within 1 year of date receipt
  - No actual disbursement on a linked award within one (1) year of the date receipt
  - 10 years passing since the date of receipt.
- Closed within the last 30 days

MPNs will not appear on the MPN Status Report if they have expired due to Disbursement inactivity more than 30 days prior to the date of the report generation. MPNs that have expired and were previously included on the report will no longer appear on the report. In addition, MPNs that will no longer expire within the next 60 days due to recent activity will be removed from future report.

This report can be used to:

- Identify when a new MPN may be needed for an award at your school
  - If an MPN has expired, you cannot use that MPN to link to a new, unlinked award at your school that will be disbursed after the expiration date. You must obtain a new, signed promissory note to book additional loans.
  - If an MPN has expired that is already linked to an award at your school, no further action is necessary for that award. Any disbursements made to the linked award will book using the existing promissory note.
- Identify when a new MPN is needed for an award at your school.
  - If an MPN has been made inactive due to a discharge, it cannot be used for additional awards. If you expect to award and disburse additional funds to the affected borrower or student, verify that the individual is still eligible and obtain a new, signed promissory note.
- Identify when a new MPN may be needed for an award at your school

- If an MPN is about to expire, and you know that your award will not be accepted, linked, and disbursed prior to the expiration date of the note, you should obtain a new MPN.
- If an MPN is about to expire that is already linked to an award at your school, no further action is necessary for that award. Any disbursements made to the linked award will book using the existing promissory note.

## Business Rules

1. This report will be generated in a weekly basis and sent from the COD System with the new non-award year specific message class MPNSTAOP.
2. The newly created MPN Status Report will be available on Cognos Web and SAIG in Comma-Delimited (CSV) format.
3. The MPN Status Report shall be sorted in the following order (with each field listed in ascending order):
  - a. Reason code (sorted in order by code types: D, G, I, X, A, C, E)
  - b. Last Name
  - c. First Name
  - d. Middle Name
  - e. SSN
  - f. DOB

Table 109: MPN Status Report - Comma-Delimited (CSV)

## DIRECT LOAN WEEKLY CORONAVIRUS REPORT

The Direct Loan Weekly Coronavirus Report provides cumulative data of students at a specific school that have received Coronavirus Relief for Direct Loan programs.

### Business Rules

1. The Direct Loan Weekly Coronavirus Report will be available via the COD Reporting Web site.
2. The report will be generated on a weekly basis.
3. When there is no data to be displayed in the report, the Report Search Page will display that no results were found.
4. The report will be sorted by the following fields in ascending order:
  - a. OPE ID
  - b. School Name of Main School
  - c. Award Year
  - d. Servicer Name
  - e. Student Last Name
  - f. Sub Program
  - g. Award ID
  - h. Flagged Disbursement Number

## COD SCHOOL MONITORING REPORT

The COD School Monitoring report assists schools with the financial aid disbursement process by highlighting three conditions;

1. Unsubstantiated Cash
  - a. Means your school has received cash for one or more Title IV Programs, however, to date a sufficient number of actual disbursement records to substantiate these amounts have not been received.
2. POP Situations – New Summary Format
  - a. The report displays the number of students per award year that have hit Pell Grant Potential Overaward Process (POP) situations (based on 34 CFR 690.65). Information regarding the COD System business rules surrounding POP may be found in the COD Technical Reference, Volume 2, Section 1. Both the Multiple Reporting Record (MRR) and the Pell POP Report are also sent to the schools and document POP

situations. The COD System allows a potential overaward situation to exist for 30 days, giving schools time to address the POP situation, and sends a warning to all schools involved before reducing all the student's Pell Grant disbursements for that award year to zero.

### 3. Disbursement Reporting

- a. This section of the School Monitoring report provides information accepted by the COD System within the past week, for each program and award year, where one or more funded disbursements were accepted more than 30 days after the actual disbursement date.
- b. While the report looks at disbursements submitted more than 30 days after the actual disbursement date, schools are still required to submit disbursements within 15 days
- c. Previous versions of this report will also be available on the COD Reporting Web site.

This report is an important tool to help schools identify potential issues in timely reporting of data to the Department so they can better meet regulatory and reporting requirements. Reviewing this report should be part of your weekly internal procedures.

## Business Rules

1. The COD School Monitoring report is automatically sent to a school's SAIG mailbox and COD Reporting Web site, on a weekly basis, when any of the three conditions is present: Unsubstantiated Cash, POP Situations and 30-Day Disbursement Reporting.
2. The COD School Monitoring report is available via SAIG in the following format:
  - a. Preformatted Text file (message class SCHMONOP)
3. The COD School Monitoring report is available on the COD Reporting Web site, in the following format:
  - a. PDF
4. The COD School Monitoring report available on the COD Reporting Web site is the one most recently generated by COD.
5. Although the COD School Monitoring report is generated weekly, if there is no data for the report on a given week, the report will not be sent to schools' SAIG mailboxes or made available via COD Reporting Web site.
6. The SAIG version of the COD School Monitoring report follows the same header and trailer layout as the Direct Loan Batch layout. See below for more details.

## COD School Monitoring Report Header Layout

| <p>Please note that one or more of the following conditions have occurred at your school:</p> <ul style="list-style-type: none"> <li>- Unsubstantiated Cash</li> <li>- Pell Grant Potential Overaward Project (POP) Situations</li> <li>- Disbursement Reporting</li> </ul>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |            |            |                      |                       |         |            |           |      |                       |             |           |            |            |            |
| <p style="text-align: center;"><b><u>Unsubstantiated Cash</u></b></p> <p>Regulations require schools to submit disbursement records and disbursement adjustment records within certain timeframes. These deadlines are published annually in a Federal Register Notice for all programs. Additionally, the cash management regulations require schools to return excess cash (i.e., refund of cash) within certain timeframes. You can review your school's cash balances on the COD Web site or the G5 Web site.</p> <p>Issue: The COD System reflects that your school has received cash for one or more Title IV Programs; however, to date, a sufficient number of student actual disbursement records to substantiate these cash amounts have not been received. This is known as "unsubstantiated cash."</p> <p>Note: Due to a lag in the receipt of transactions between COD and G5, it is possible the summaries in this report may not reflect your school's most recent refunds.</p> <p>Action: To prevent delays in receiving additional cash, resolve your school's unsubstantiated cash by submitting disbursement records to the COD System or returning cash via G5 to the Department of Education.</p> <p>Regulatory References: Pell Grant, 34 CFR 690.83; TEACH Grant, 34 CFR 686.37; Direct Loan, 34 CFR 685.301(e). All programs: 34 CFR 668.166</p> |            |            |                      |                       |         |            |           |      |                       |             |           |            |            |            |

| <p>Report shows the number of students per award year that have hit Pell Grant Potential Overaward Project (POP) situations. Information regarding the COD System business rules surrounding POP may be found in the COD Technical Reference, Volume II, Section 1.</p>                                                                                                                                                                                                                                                                               |                      |            |                    |           |   |
| <p><b>Issue:</b> To date, the COD System has not received or accepted disbursement adjustments to correct some students' potential overaward.</p>                                                                                                                                                                                                                                                                                                                                                                                                     |                      |            |                    |           |   |
| <p><b>Action:</b> The number of students in a POP situation is listed below. Details on these students can be retrieved from the Multiple Reporting Record (MRR) file sent to your school's Student Aid Internet Gateway (SAIG) mailbox advising your school of a POP situation. The Pell POP report, generated weekly, can also be retrieved from your school's SAIG mailbox, and via the COD Reporting Portal on the COD Web Site. Use this information to determine the student accounts that should be reviewed and adjusted, as appropriate.</p> |                      |            |                    |           |   |
| <p><b>Regulatory Reference:</b> 34 CFR 690.65 provides the basis for determining a student's remaining eligibility when another school has disbursed Pell Grant funds to the student.</p>                                                                                                                                                                                                                                                                                                                                                             |                      |            |                    |           |   |

## COD School Monitoring

School OPE ID: 00012900Run Date: 02/19/2021

**Disbursement Reporting**

Regulations require schools to submit disbursement records and disbursement adjustment within certain timeframes. These deadlines are published annually in a Federal Register Notice for all programs.

**Issue:** COD System records reflect awards with funded disbursements that were not accepted within 30 days of the disbursement date. The weekly and award year summaries below provide information accepted by the COD System within the past week, for each award year, where one or more funded disbursements were accepted more than 30 days after the actual disbursement date.

**Action:** Review disbursement reporting requirements and make adjustments to your reporting processes for future disbursements.

**Note:** This section of the report uses 30 days as a trigger but schools must follow the current disbursement reporting requirements, which specifies that a school must submit disbursement records no later than 15 days after making the disbursement or becoming aware of the need to adjust a student's previously reported disbursement.

**Regulatory References:** Pell Grant, 34 CFR 690.83; TEACH Grant, 34 686.37; Direct Loan, 34 CFR 685.301(e)

## COD SCHOOL FUNDING HISTORY REPORT

The COD School Funding History Report shall display a school's funding authorizations for a specified award year and program by school, program, and award year. The report shall also display year-to-date information for the selected school, program type, and award year. The COD School Funding History Report shall also contain a history of cash activity transactions for a school. This report shall be used by FSA, Schools, and Customer Service Representatives to track schools funding authorizations, current funding levels, and cash activity transactions.

### Business Rules

1. The COD School Funding History Report shall be available via COD Web on the School Funding Information page.
2. The COD School Funding History Report shall be available in CSV format.
3. The COD School Funding History Report shall be sorted descending by Date of Transaction
4. The COD School Funding History Report shall be available on demand.
